Perilous Promises A New Adult Romance English Edition

Michael Hunter

Perilous Promises A New Adult Romance English Edition:

Dangerous Children Kenneth Gross, 2022-10-27 Gross explores our complex fascination with uncanny children in works of fiction Ranging from Victorian to modern works Lewis Carroll's *Alice in Wonderland* Carlo Collodi's *Pinocchio* Henry James's *What Maisie Knew* J M Barrie's *Peter and Wendy* Franz Kafka's *The Cares of a Family Man* Richard Hughes's *A High Wind in Jamaica* Elizabeth Bowen's *The Death of the Heart* and Vladimir Nabokov's *Lolita* Kenneth Gross's book delves into stories that center around the figure of a strange and dangerous child Whether written for adults or child readers or both at once these stories all show us odd even frightening visions of innocence We see these children's uncanny powers of speech knowledge and play as well as their nonsense and violence And in the tales these child lives keep changing shape These are children who are often endangered as much as dangerous haunted as well as haunting They speak for lost and unknown childhoods In looking at these narratives Gross traces the reader's thrill of companionship with these unpredictable often solitary creatures children curious about the adult world who while not accommodating its rules fall into ever more troubling conversations with adult fears and desires This book asks how such imaginary children objects of wonder challenge our ways of seeing the world our measures of innocence and experience and our understanding of time and memory

Dangerous Attraction Sera Blackmoor, 2025-06-04 He was trained to protect She was never supposed to be more than a mission Until desire changed everything Stefano lives by the rules As a decorated police sergeant and head of the Intelligence Unit he's dedicated his life to duty discipline and keeping danger at bay Nothing and no one has ever shaken his focus Until her When Ashley makes a desperate call for help Stefano answers without hesitation But the moment he lays eyes on the woman with angelic eyes and a haunted smile something shifts Protecting her becomes personal Taking her into his home was supposed to be temporary Falling for her was never part of the plan Now with danger closing in and lines blurring between right and wrong Stefano must make an impossible choice uphold the law or follow his heart *Gift and Promise* Peter

Schmiechen, 2016-12-09 What would happen if the liturgy for the Lord's Supper started with the images in the New Testament rather than the divisions of our past It would be like going through an open door into a new world There we would find a new Passover celebration a new covenant and remembrance and proclamation of Jesus' death and resurrection all in the context of the kingdom of God It would be an evangelical Lord's Supper This is a high risk operation given the reliance by many on transactional sacrifice and the tendency to reduce the Supper to a sacrament of penance for individuals Ideas rejected by Luther and Calvin now reappear even among Protestants The goal cannot be reached by subtracting a few things and adding references to eschatology and joy The good news is that many churches have already taken steps to reform their liturgies To support that process here is a clear and consistent evangelical perspective based on the theology and biblical considerations that have formed our faith and practice

The Dangerous Type Loren Rhoads, 2015-07-07 Set in the wake of a galaxy wide war and the destruction of a human empire *The Dangerous Type* follows the awakening of one of the

galaxies most dangerous assassins and her quest for vengeance Entombed for twenty years Reana has been found and released Thallian has been on the lam for the last fifteen years a wanted war criminal whose entire family has been hunted down and murdered for their role in the galaxy wide genocide of the Templars His name is the first on Reana s list as he s the one that enslaved her made her his assassin and ultimate put her in a tomb But Thallian is willing to risk everything including his army of cloned sons to capture her Now it s a race to see who kills who first Alternatively Gaven has spent the last twenty years trying to forget about Reana who he once saved and then lost to the clutches of Thallian Reana s adopted sister Ariel has been running from the truth the one about Reana about her and Gavin and doesn t know if she ll be able to face either of them

The Dangerous Type a mix of military science fiction and an adventurous space opera that grabs you from the first pages and doesn t let go Along with a supporting cast of smugglers black market doctors and other ner do wells sprawled across a galaxy brimming with alien life The Dangerous Type is a fantastic beginning to Loren Roads epic trilogy Skyhorse Publishing under our Night Shade and Talos imprints is proud to publish a broad range of titles for readers interested in science fiction space opera time travel hard SF alien invasion near future dystopia fantasy grimdark sword and sorcery contemporary urban fantasy steampunk alternative history and horror zombies vampires and the occult and supernatural and much more While not every title we publish becomes a New York Times bestseller a national bestseller or a Hugo or Nebula award winner we are committed to publishing quality books from a diverse group of authors

Betrayal Aleatha Romig,2015-10-11 Book 1 of the INFIDELITY series *Castle dangerous* Walter Scott,1900 **Mighty Stories, Dangerous Rituals** Herbert Anderson,Edward Foley,2019-02-01 Shaping our journey into the Divine This moving and enlightening book presents us with a compelling vision of what can happen when we take the opportunity to connect stories and rituals a vision of individuals and communities transformed through a deeper sense of connection to our loved ones our communities and God Herbert Anderson and Edward Foley reveal how when stories and rituals work together they have the potential to be both mighty and dangerous mighty in their ability to lift us up and help us make these connections beyond ourselves and dangerous in challenging us to learn to live with complexity and contradiction They show how much more meaningful a baptism wedding or funeral can be when liturgy is made to include and recognize the personal stories of those involved Suddenly these familiar life cycle rituals are infused with new life as participants become connected in a narrative web linking past and present human and divine Newly created rituals can also help us connect our stories to the divine story giving meaning to what we experience and bringing us closer to God Ministers worship leaders and pastoral caregivers can use this approach to storytelling and ritual to find ways to bring together worship and pastoral care

The Year 2000 Charles B. Strozier,Michael Flynn,1997-08 A fascinating collection of predictions for the end times in the year 2000 The Year 2000 is at hand The end of the millennium means many things to many people but it has significance for almost everyone A thousand years ago monks stopped copying manuscripts and religious building projects came to a halt as panic swept Europe

Today anxiety about global warming government power superviruses even recycling is on some level rooted in the fear of irreversible cataclysm In a landscape shadowed by racial conflict technological upheaval AIDS and nuclear weapons we reasonably fear the end of history 2000 looms large in our religious political and cultural imagination But while 2000 brings dread it also raises the prospect of transformation There is hope to be found in the apocalyptic This panoramic volume explores how the Year 2000 operates in contemporary political discourse from Black evangelical politics to radical right wing rhetoric One section is devoted specifically to apocalyptic violence analyzing twentieth century cults and cultural movements from David Koresh who renamed his Waco compound Ranch Apocalypse and perished in a modern day Armageddon that fueled the millennialist angst of other extremist groups to environmental campaigns like Earth First that also rely on the language of violence and imminent doom in their greening of the Apocalypse *The Dangerous Series* Amanda

Scott,2013-11-18 Soldiers strangers and spies love is a dangerous game in this collection of four Regency romances by a USA Today bestselling author In *Dangerous Illusions* Lady Daintry Tarrant is dismayed when a war hero returns introducing himself as her fianc Lord Penthorpe She cherishes her independence and has turned away many suitors but this one she must marry Penthorpe is completely captivated by Lady Daintry but he s not who he claims to be In *Dangerous Games* Melissa Seacourt s father auctions her off to pay his gambling debts but she vows that she will be no man s bought bride Desperate to escape her fate shackled to someone she could never love Melissa instead is forced to honor and obey the seductive stranger who comes to her rescue In *Dangerous Angels* Charlotte Tarrant is traveling across Cornwall in her luxurious coach when a shots ring out and her carriage goes over a cliff s edge As she clings to the rocks a savior appears When they meet again Charley recognizes him instantly But she doesn t yet realize that the stranger who saved her life the handsome aristocrat who now vies for her hand in marriage is England s most notorious spy In *Dangerous Lady* Lady Letitia Deverill comes to London to serve as maid of honor to the young Queen Victoria An impassioned Tory in a sea of Whigs Letty has no intention of changing her political views The headstrong noblewoman soon discovers she has enemies at court and none more formidable than the powerful and irresistible Viscount Justin Raventhorpe *The Promise of Multiculturalism* George N.

Katsiaficas,Teodros Kiros,1998 In personal narratives pedagogical interpretations and global and philosophical perspectives scholars from a broad range of disciplines and countries examine the concept of multiculturalism and it applies to autonomy identity and education Rather than portray a single version of the concept they provide an example of the rich debate among its proponents Some of the 16 papers which are not indexed comprised a special issue of *New Political Science* which is not identified Annotation copyrighted by Book News Inc Portland OR *The Promise of Wholeness* Eric Ehrke,2019-02-08 Henosis is the Greek word for oneness unity Since time immemorial this universal concept has been championed within traditional wisdom ancient philosophy and theology The psychoanalyst Carl Jung referred our shared human experience with the phrase collective unconscious while physicists use the term quantum entanglement to describe how every particle is

inherently connected to the whole The missing links between the wisdom of ancient philosophy and the startling insights within modern psychology to transform suffering transcend circumstances and increase our capacity for love are explored in The Promise of Wholeness Most philosophical studies of ancient wisdom lack practical applications and many popular psychology books simply skim the surface of the human experience Licensed clinical social worker and psychotherapist Eric Ehrke offers a new foundation for profound living based on classical teachings and enriched by modern scientific psychological breakthroughs The principles and values it takes to be happy and whole endure but gentle makeovers are needed to modernize the message Clinical examples from Eric Ehrke s forty years of psychotherapy practice and personal stories from courageous individuals are included throughout the book Emphasizing innovative teachings and new critical exercises for infantile childish and adolescent stress responses Ehrke offers powerful meditations and invaluable tools for bringing these concepts and strategies into everyday life Here eternal wisdom sound psychological principles and practical solutions come together in this handbook of consciousness a truly helpful guide for anyone seeking lasting peace and well being

Lonely Places, Dangerous Ground Steven Rybin, Will Scheibel, 2014-02-01 A range of approaches to the director s life and work The director of such classic Hollywood films as In a Lonely Place Johnny Guitar and Rebel Without a Cause Nicholas Ray nevertheless remained on the margins of the American studio system throughout his career and despite his cult status among auteurist critics and cinephiles he has also remained at the margins of film scholarship Lonely Places Dangerous Ground offers twenty new essays by international film historians and critics that explore the director s place in the history of the Hollywood industry and in the larger institution of cinema as well as a 1977 interview with Ray that has never before been published in its entirety in English In addition to readings of Ray s most celebrated films the book provides a range of approaches to his life and work engaging new questions of his cinematic authorship with areas that include history and culture politics and society gender and sexuality style and genre performance technology and popular music The collection also looks at Ray s lesser known and underappreciated films and devotes attention to the highly experimental We Can t Go Home Again his recently restored final film made in the 1970s with his students at Binghamton University State University of New York Rediscovering what Ray means to contemporary film studies the essays show how his films continue to possess a vital power for film history and criticism and for film culture

Strength for Dangerous Times Harris Langford, 2009-10 **A Most Dangerous Woman: A Novel** Brenda Clough, 2018-08-18 An exciting Victorian era murder mystery populated by characters from Wilkie Collins s beloved The Woman in White Marian Halcolmbe finds and marries her true love Theo Camlet But when Theo s first wife who everyone believed to be dead reappears Marian and her brother in law Walter must delve into the darkest and most dangerous corners of London to save Theo from accusations of bigamy and murder as well as the hangman s noose Victorian literature s most exciting heroine Marian Halcombe stars in Brenda Clough s thrilling and romantic sequel to Wilkie Collins The Woman in White Praise for A Most Dangerous Woman Blending

seamlessly with the end of Wilkie Collins's beloved *The Woman in White* Brenda Clough's *A Most Dangerous Woman* takes one of the most fascinating female characters in Victorian literature and gives her the life she deserves Sherwood Smith author of the *Sartorias* series [The Works of Sir Walter Scott, Bart: Castle Dangerous ; and, The surgeon's daughter](#) Walter Scott, 1901 [A Christmas Promise](#) Mary Balogh, 2010-10-26 A love that cannot be bought or sold proves to be the greatest gift of all in this heartwarming classic that demonstrates once again why New York Times bestselling author Mary Balogh is among the most celebrated authors of historical romance Weddings are supposed to be joyous occasions especially when a couple seems as well matched as Randolph Pierce Earl of Falloden and his bride to be Eleanor Transome Ellie brings to the marriage a vast dowry while Falloden though distant is handsome tremendously desirable and possessed of a title most young ladies can only dream of sharing Yet Ellie is not most young ladies She knows that she must honor her dear father's dying wish for her to wed the proud earl but she dreads a lifetime in a union without love and how can Falloden claim to love her when he married her only for her fortune As Christmas descends upon the Falloden manor the warmth of the season may yet melt away the trappings of duty and wealth leaving behind only a man and a woman destined for each other's arms

Mad, Bad and Dangerous? Christopher Frayling, 2013-06-01 From Victor Frankenstein to Dr Moreau to Doc Brown in *Back to the Future* the scientist has been a puzzling fascinating and threatening presence in popular culture From films we have learned that scientists are either evil maniacal geniuses or bumbling saviors of society *Mad Bad and Dangerous* puts this dichotomy to the test offering a wholly engaging yet not uncritical history of the cinematic portrayal of scientists Christopher Frayling traces the genealogy of the scientist in film showing how the scientist has often embodied the predominant anxieties of a particular historical moment The fear of nuclear holocaust in the 1950s gave rise to a rash of radioactive mutant horror movies while the possible dangers of cloning and biotechnology in the 1990s manifested themselves in *Jurassic Park* During these eras the scientist's actions have been viewed through a lens of fascination and fear In the past few decades with increased public awareness of environmental issues and of the impact of technology on nature the scientist has been transformed once again into a villainous agent of money hungry corporate powers *Mad Bad and Dangerous* also examines biographical depictions of actual scientists illuminating how they are often portrayed as social misfits willing to sacrifice everything to the interests of science Drawing on such classic and familiar films as *Frankenstein* *Metropolis* and *The Wizard of Oz* Frayling brings social and film history together to paint a much larger picture of the evolving value of science and technology to society A fascinating study of American culture and film *Mad Bad and Dangerous* resurrects the scientists of late night movies and drive in theaters and gives them new life as cultural talismans

Dangerous Journey Home Michael Hunter, 2020-08-10 This is the story of the illegitimate son of a young immigrant woman who was on the run from her abusive husband It's the story of a child whose father died when the boy was only four It's about growing up with PTSD and alcoholism and abuse and family dysfunction It's about a man who thought he knew what

God and Christianity is all about and yet he fell so far into sin that it destroyed everything in his life and he ended up in prison It s also the story of how this same man finally realized one day that God exists and He truly loves us It s a story of a prodigal son hearing his true Father calling him to come back It s the story about one man s journey home to Father God It s a true story I know because I am that man *The surgeon's daughter and Castle dangerous* Walter Scott,1885

Waverley Novels: Surgeon's daughter, Castle Dangerous Walter Scott,1887

Adopting the Song of Appearance: An Emotional Symphony within **Perilous Promises A New Adult Romance English Edition**

In some sort of taken by monitors and the ceaseless chatter of immediate interaction, the melodic beauty and emotional symphony developed by the written term often diminish into the background, eclipsed by the relentless noise and interruptions that permeate our lives. Nevertheless, situated within the pages of **Perilous Promises A New Adult Romance English Edition** a wonderful literary prize brimming with organic emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that captivating masterpiece conducts viewers on an emotional journey, skillfully unraveling the concealed melodies and profound affect resonating within each carefully constructed phrase. Within the depths of this moving examination, we shall discover the book is central harmonies, analyze its enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
