Perseverance Two Of The Fundamentalists English Edition

Jennifer Knauss

Perseverance Two Of The Fundamentalists English Edition:

The Persistence of Nationalism Angharad Closs Stephens, 2013 This is a book about the difficulties of thinking and acting politically in ways that refuse the politics of nationalism The book offers a detailed study of how contemporary attempts by theorists of cosmopolitanism citizenship globalism and multiculturalism to go beyond nationalism often reproduce key aspects of a nationalist imaginary It argues that the challenge of resisting nationalism will require more than a shift in the scale of politics from the national up to the global or down to the local and more than a shift in the count of politics to an emphasis on diversity and multiculturalism In order to avoid the grip of nationalist thinking we need to re open the question of what it means to imagine community Set against the backdrop of the imaginative geographies of the War in Terror and the new beginning promised by the Presidency of Barack Obama the book shows how critical interventions often work in collaboration with nationalist politics even when the aim is to resist nationalism It claims that a nationalist imaginary includes powerful understandings of freedom subjectivity sovereignty and political space time which must also be placed under question if we want to avoid reproducing ideas about us and them Drawing on insights from feminist cultural and postcolonial studies as well as critical approaches to International Relations and Geography this book presents a unique and refreshing approach to the politics of nationalism

They Who Endure to the End Everett Berry, 2020-07-30 Is it possible for a true believer in Christ to apostatize If so how Also how can professing believers know if they are truly born again What assurance can they have that they will never renounce their faith These questions have been asked for centuries as Christians have wrestled with what Scripture says about these matters The search for answers has instilled strong disagreements among Christian traditions In this book we navigate the terrain of this debate by examining the pertinent biblical data surveying the history of major views that have been advocated by various denominations and offering a synthesis of all this material in the hopes that readers can see how Scripture assures believers of their security in Christ

Understanding Islamic Fundamentalism Sayed Khatab, 2011-01-01 Beginning with an examination of medieval Islamic fundamentalist movements such as Kharjism Ibadism Hanbalism and Wahhabism Sayed Khatab looks at the similarities and differences between them and present organizations such as al Qaeda It may be surprising that many of the radical narratives embraced by modern groups have not emerged recently Identifying these roots can lead to a better understanding of al Qaeda s theological and intellectual narratives and how they effectively indoctrinate youths and attract many of them to violent acts of terrorism The book then focuses on al Qaeda s theology ideology and tactics the geographic contours and implications of al Qaeda s political strategy in relation to the western and eastern countries which are considered enemy states the impending clash of cultures and the ideological war within al Qaeda Innovative in its concept examining political Islamic thought from a historical to a contemporary perspective Islamic Fundamentalism generates new understanding of the many complexities of political Islam and the role of violence and terrorism

The Persistence of

Patriarchy Jennifer Knauss,1987-08-10 This sociopolitical study shows why patriarchy has been the dominant pattern in Algeria in spite of colonialism revolutionary war and the implementation of state socialism after independence Knauss carefully analyzes Algerian class formation ideology and gender relations and then demonstrates how these factors decisively influenced the persistence of patriarchy as well as the status of women To further enhance this model historical drama there are interviews with former President Ahmed Ben Bella Berber activist Hocine Ait Ahmed and exiled socialist Mohammed Boudiaf

Religious Fundamentalism in the Age of Pandemic Nina Käsehage,2021-03-15 The multidisciplinary anthology Religious Fundamentalism in the Age of Pandemic provides deep insights concerning the current impact of Covid 19 on various religious groups and believers around the world Based on contributions of well known scholars in the field of Religious Fundamentalism the contributors offer about a window into the origins of religious fundamentalism and the development of these movements as well as the creation of the category itself Further recommendations regarding specific fundamentalist religious groups and actors and their possible development within Buddhism Christianity Islam and Judaism round up the discussion about the rise of Religious Fundamentalism in the Age of Pandemic

The Persistence of Religion Harvey G. Cox,Daisaku Ikeda,2009-10-30 In the nineteenth century Nietzsche famously announced that God was dead In the twentieth century increasing reliance on science and technology led to a widespread rejection of belief on the grounds of its irrationality Yet religion has not died In fact the opposite has occurred it has persisted and proliferated Despite the relentless pursuit of scientific advancement in the twenty first century we now see religious influence everywhere In this wide ranging dialogue two leading commentators on religion address from their different but complementary traditions of Christianity and Buddhism the continuing appeal of spirituality to people eager to explore fundamental questions of meaning The authors indicate that science for all its benefits has limits of explanation It may be able to show how but not necessarily why Yet belief too must not go unchallenged since as Ikeda says religion can become either a medicine or a poison What then is the proper role of religion in a world plagued by intolerance and extremism The authors point to its place in dialogue education and peacebuilding They emphasise the centrality of non violence and the inspiring examples of Gandhi Martin Luther King and Nelson Mandela In so doing they recount formative experiences of involvement in the civil rights movement and protest against Vietnam Cox and personal exposure to the misery and destruction of war Ikeda Their joint vision of a just and true religious sensibility makes a vital contribution to the fields of religion peace studies and ethics

Advances in Artificial Economics Frédéric Amblard,Francisco J. Miguel,Adrien Blanchet,Benoit Gaudou,2014-11-08 The book presents a peer reviewed collection of papers presented during the 10th issue of the Artificial Economics conference addressing a variety of issues related to macroeconomics industrial organization networks management and finance as well as purely methodological issues The field of artificial economics covers a broad range of methodologies relying on computer simulations in order to model and study the complexity of economic and social phenomena The grounding principle of

artificial economics is the analysis of aggregate properties of simulated systems populated by interacting adaptive agents that are equipped with heterogeneous individual behavioral rules These macroscopic properties are neither foreseen nor intended by the artificial agents but generated collectively by them They are emerging characteristics of such artificially simulated systems
