Persia An Archaeological Guide:

Persia - an Archaeological Guide Sylvia A. Matheson, 1972 **Persia** Sylvia Anne Matheson, 1976 Persia an archaeological guide Sylvia A. Matheson, 1979 **Persia** Sylvia A. Matheson, 1972 An Historical Geography of Iran Vasilii Vladimirovich Barthold, 2014-07-14 This volume is a compendium of the rich archeological and literary evidence on the Iranian world in its larger sense comprising part of what is now Soviet Central Asia and Afghanistan as well as Iran proper Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Ancient Persia and the Book of Esther** Lloyd

Llewellyn-Jones, 2023-03-09 A Spectator 2023 Book of the Year Esther is the most visual book of the Hebrew Bible and was largely crafted in the Fourth Century BCE by an author who was clearly au fait with the rarefied world of the Achaemenid court It therefore provides an unusual melange of information which can enlighten scholars of Ancient Iranian Studies whilst offering Biblical scholars access into the Persian world from which the text emerged In this book Lloyd Llewellyn Jones unlocks the text of Esther by reading it against the rich iconographic world of ancient Persia and of the Near East Ancient Persia and the Book of Esther is a cultural and iconographic exploration of an important but often undervalued biblical book and Llewellyn Jones presents the book of Esther as a rich source for the study of life and thought in the Persian Empire The author reveals answers to important questions such as the role of the King's courtiers in influencing policy the way concubines at court were recruited the structure of the harem in shifting the power of royal women the function of feasting and drinking in the articulation of courtly power and the meaning of gift giving and patronage at the Achaemenid court

The Persians Geoffrey Parker, Brenda Parker, 2016-11-15 Now in paperback this is a history of an incomparable culture whose influence can still be seen millennia later in modern day Iran and the wider Middle East During the first and second millennia BCE a swathe of nomadic peoples migrated outward from Central Asia into the Eurasian periphery One group of these people would find themselves encamped in an unpromising arid region just south of the Caspian Sea From these modest and uncertain beginnings they would go on to form one of the most powerful empires in history the Persian Empire In this book Geoffrey and Brenda Parker tell the captivating story of this ancient civilization and its enduring legacy to the world The authors examine the unique features of Persian life and trace their influence throughout the centuries They examine the environmental difficulties the early Persians encountered and how in overcoming them they were able to develop a unique culture that would culminate in the massive first empire the Achaemenid Empire Extending their influence into the maritime west they fought the Greeks for mastery of the eastern Mediterranean one of the most significant

geopolitical contests of the ancient world And the authors paint vivid portraits of Persian cities and their spectacular achievements intricate and far reaching roadways an astonishing irrigation system that created desert paradises and above all an extraordinary reflection of the diverse peoples that inhabited them

The Seleukid Empire of Antiochus III, 223-187 BC John D. Grainger, 2015-03-31 Brings to life a major figure in the Hellenistic World in his own right rather than as just another stepping stone during Rome's rise HistoryOfWar.org The second volume in John Grainger's history of the Seleukid Empire is devoted to the reign of Antiochus III Too often remembered only as the man who lost to the Romans at Magnesia Antiochus is here revealed as one of the most powerful and capable rulers of the age Having emerged from civil war in 223 as the sole survivor of the Seleukid dynasty he shouldered the burdens of a weakened and divided realm Though defeated by Egypt in the Fourth Syrian War he gradually restored full control over the empire His great Eastern campaign took Macedonian arms back to India for the first time since Alexander's day and returning west he went on to conquer Thrace and finally wrest Syria from Ptolemaic control Then came intervention in Greece and the clash with Rome leading to the defeat at Magnesia and the restrictive Peace of Apamea Despite this Antiochus remained ambitious campaigning in the East again when he died in 187 BC the empire was still one of the most powerful states in the world We are Grainger says so hypnotised by the rise of Rome that we ignore the Seleukid and Ptolemaic interlude His clear and fascinating account breaks this spell Minerva Magazine

Persian Architectural Heritage Mehrdad Hejazi, Fatemeh Mehdizadeh Saradj, 2014-12-08 During its long history Persian culture has played a fundamental role in and has made major contributions to human civilisation During the last few decades scholarly interest in Persian culture including its history archaeology art and architecture has accelerated research into Persian cultural heritage Scientific studies have provided information about knowledge on which Persian traditional buildings are based and methodologies used for their preservation This book gives comprehensive information about Persian architectural heritage for scholars students and practicing engineers in civil structural architectural hydraulic and restoration engineering and other related disciplines

Seleukos Nikator (Routledge Revivals) John D Grainger, 2014-02-04 Following the death of Alexander the Great in 323 BC one of his commanders Seleukos Nikator rose over a period of forty years from being a landless refugee to the most successful of the Successor kings This biography first published in 1990 makes use of both historical and archaeological sources to trace the stages of Seleukos' life as he added province to province kingdom to kingdom gradually building an empire which stretched from India to Greece and founding a state which lasted for the next two centuries This strangely neglected figure in ancient history emerges as a modestly proficient general an excellent strategist a consummate diplomat and an inventive and constructive ruler the diversity of his empire demanding intelligence of a high order to hold it together Seleukos Nikator will be of interest to students of ancient history and the politics of the Hellenistic world

The Top Books of the Year Persia An Archaeological Guide The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have enthralled audiences this year. Persia An Archaeological Guide : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Persia An Archaeological Guide : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Persia An Archaeological Guide : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pape, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
