Cityville, ST 12345

Dear Dr. Thompson,

I am writing to enthusiastically recommend Sarah Johnson for admission to your esteemed institution for the undergraduate program in Computer Science. It has been my privilege to know Sarah for the past three years as her teacher and mentor at **[Your Company Name]**. Throughout this period, I have been consistently impressed with her extraordinary dedication, intelligence, and passion for learning.

Sarah stands out not only for her exceptional academic achievements but also for her remarkable personal qualities. She has maintained an outstanding record in Mathematics and Science, often ranking at the top of her class. Her ability to comprehend complex concepts and apply them analytically showcases her readiness for the rigorous academic challenges she will encounter at your institution.

A specific instance that underscores Sarah's capabilities occurred when she spearheaded a research project on renewable energy sources. In this project, she not only demonstrated innovative thinking and exceptional organizational skills but also effectively led a diverse team, guiding them to achieve our objectives ahead of schedule. Her proficiency in problem-solving, coupled with her capacity to thrive in collaborative environments, is a testament to her leadership and teamwork skills.

Beyond her academic excellence, Sarah is a person of great integrity and compassion. She has dedicated considerable time to volunteering for local environmental charities, reflecting a profound commitment to making a positive impact in the community. Her empathetic nature and eagerness to learn from diverse perspectives will undoubtedly make her an invaluable asset to your university cohort.
