The Contemporary Deathbed John Anthony Tercier,2005-04-15 How do we picture ourselves dying A death with dignity the darkened room and a few murmured farewells Or in the lights flashing siren wailing chest pumping maelstrom of the back of an ambulance hurtling towards an ER Over the last decade the two most robust vehicles of popular culture film and television have opted for the latter scenario This book examines the hi tech death of the twenty first century as enacted in our hospitals and as portrayed on our TV screens **Decisions of the Appeal Board** United States. Office of Contract Settlement. Appeal Board,1949 Vol 5 includes a history of the Board Seen and Heard in Mexico Elena Jackson Albarran,2014-01-01 During the first two decades following the Mexican Revolution children in the country gained unprecedented consideration as viable cultural critics social actors and subjects of reform Not only did they become central to the reform agenda of the revolutionary nationalist government they were also the beneficiaries of the largest percentage of the national budget While most historical accounts of postrevolutionary Mexico omit discussion of how children themselves experienced and perceived the sudden onslaught of resources and attention Elena Jackson Albarr n in *Seen and Heard in Mexico* places children s voices at the center of her analysis Albarr n draws on archived records of children s experiences in the form of letters stories scripts drawings interviews presentations and homework assignments to explore how Mexican childhood despite the hopeful visions of revolutionary ideologues was not a uniform experience set against the monolithic backdrop of cultural nationalism but rather was varied and uneven Moving children from the aesthetic to the political realm Albarr n situates them in their rightful place at the center of Mexico s revolutionary narrative by examining the avenues
