Soft in the Head Marie-Sabine Roger, 2016-06-28 His mother calls him a worthless halfwit while his fellow drunks at the local bar ensure he is the butt of all their jokes He spends his days whittling wood counting pigeons and adding his own name to the list on the town war memorial So how could Germain possibly anticipate what a casual encounter on a park bench with eighty five year old Margueritte might mean In this touchingly comic tale of an unusual friendship that first conversation opens a door into a world Germain has never imagined the world of books and ideas and gives both him and Margueritte the chance of a happiness they thought had passed them by
