Deity Bill Rosser, 2010-12-04 *Deity* is a hybrid RPG Strategy game where players take on the roles of minor Gods and Goddesses trying to spread their influence across the world. Each game is played using a map of a continent with each player trying to gather as many followers as possible in order to gain total dominance over the continent and defeating the other players in the process. *Deity* can be played as a standalone game or if you want to use the tactical combat system option that adds a more strategic feel to it, you can use added rules from the *Gaia Saga* role playing system.
