**The Hermetic Museum (Volumes 1 & 2)** Arthur Edward Waite, The Hermetic Museum was published in Latin at Frankfort in the year 1678 and as its title implies it was an enlarged form of an anterior work which appearing in 1625 is more scarce but intrinsically of less value Its design was apparently to supply in a compact form a representative collection of the more brief and less ancient alchemical writers in this respect it may be regarded as a supplement to those large storehouses of Hermetic learning such as the Theatrum Chemicum and that scarcely less colossal of Mangetus the Bibliotheca Chemica Curiosa which are largely concerned with the cream of the archaic literature with the works of Geber and the adepts of the school of Arabia with the writings attributed to Hermes with those of Raymond Lully Arnold de Villa Nova Bernard Trevisan and others This edition contains both original volumes one and two **The Cultures of**

**Maimonideanism** James T. Robinson, 2009-04-24 In the history of Jewish thought no individual scholar has exercised more influence than Maimonides 1138 1204 philosopher and physician legal scholar and communal leader This collection of papers originating at the 2007 EAJIS colloquium places primary emphasis on this influence not on Maimonides himself but the many movements he inspired Using Maimonideanism as an interpretive lens the authors of this volume representing a variety of fields and disciplines develop new approaches to and fresh perspectives on the peculiar dynamic of Judaism and philosophy Focusing on social and cultural processes as well as philosophical ideas and arguments they point toward an original reconceptualization of Jewish thought **The Apocalyptic Letter to the Galatians** James M. Scott, 2021-05-18 One

apocalyptic reading of Paul s letter to the Galatians has been attempted before and is now widely accepted but that reading is not based on a thorough engagement with Jewish apocalyptic traditions of the Second Temple period In this book James M Scott argues that there is an essential continuity between Galatians and Paul s Jewish past and that Paul uses the apocalyptic Epistle of Enoch 1 Enoch 92 105 as a literary model for his own letter Scott first contextualizes the Epistle of Enoch using the entire Enochic corpus and explores the extensive similarities and some significant differences between the Enochic tradition and early Stoicism Then he turns to deal specifically with Paul s letter to the Galatians showing that despite their obvious differences the two apocalyptic letters have some remarkable features in common as well This approach to the interpretation of Galatians fundamentally stands to change the way biblical scholars understand Paul s letter and the gospel that he preached Paul is within Judaism if the net for what is included in Judaism is wide enough to encompass the Enochic tradition
