 experienced hunters agree that the real work begins after the animal is down No hunt is complete until an animal has been
 properly field dressed and packed out of the field What you do in the minutes after the fatal shot determines whether you will
 enjoy the savory flavors of wild meat or find yourself with gamy unpalatable fare For most of us the experience of field
 dressing comes infrequently In the intervening months sometimes years our memory of the proper techniques can grow rusty
 That s where the Pocket Guide to Field Dressing Game comes in Waterproof dirt proof and stain proof it covers everything
 from basic field dressing to cutting up an animal in the field when it is too big to pack out in one piece It even covers the
 proper techniques for cleaning game birds This guide should find space in every hunter s pack next to the hunting knife and
