Writing the Research Paper
 Anthony C. Winkler, 2000 The rationale behind Writing the Research Paper Pocket Guide is essentially a simple one the typical student reaches college having written perhaps a dozen research papers and is familiar enough with the broad convention of the form to neither need nor want a big book on the research paper Instead what the student needs is a handy summary of research paper protocol that can be easily consulted All its explanations should be brief helpful and to the point Its examples should be pointed and illustrative covering major matters rather than minor ones That in a nutshell is the idea behind this book
