Installation

- Do not place this apparatus near or over a heated or hot object, or where it is exposed to direct sunlight.
- Do not place vessels (such as a container) with water on the apparatus, as this can result in a fire or electric shock.
- Do not expose this apparatus to rain or moisture.
- Be aware to contact an authorized Samsung service center for information if you intend to install your TV in a location with heavy dust, high or low temperatures, high humidity, chemical substances, or where it will operate 24 hours a day with an air conditioner, a heater, radiator, etc. Failure to do so may lead to serious damage to your TV.
- Do not expose this apparatus to dripping or splashing.

Mounting the TV on a wall

- If you mount this TV on a wall, follow the instructions carefully as set out by the manufacturer. If it is not correctly mounted, the TV may slide or fall and cause serious injury to a child or adult and serious damage to the TV.

- To enter the Samsung wall-mount kit, contact Samsung service center.
- Samsung Electronics is not responsible for any damage to the product or injury to yourself or others if you choose to install the wall-mount kit on your own.
- Samsung is not liable for any personal injury when a non-VESA or non-specified wall-mount is used or when the consumer fails to follow the product installation instructions.
- You can install your wall-mount on a solid wall perpendicular to the floor. Before attaching the wall-mount to your wall, either the manufacturer's or contact your nearest dealer for additional information. If you install the TV on a ceiling or slanted wall, it may fall and result in severe personal injury.
- When installing a wall-mount kit, we recommend you follow all VESA instructions.
- If you want to install a wall-mount kit that attaches to the wall using two top screws only, be sure to use a Samsung wall-mount kit that supports this type of installation. (This may not be able to prevent this type of wall-mount kit, depending on the geographical area.)

- Do not mount the TV at more than a 75-degree tilt.
- Standard dimensions for wall-mount kits are shown in the table on the Quick Setup Guide.
- Do not install your wall-mount kit while your TV is turned on. This may result in personal injury from electric shock.
- Do not use tools that are longer than the standard dimension or do not comply with the VESA standard screw specifications. Screws that are too long may cause damage to the inside of the TV set.
- For wall-mounting that does not comply with the VESA standard screw specifications, the length of the screws may differ depending on the wall-mount specifications.
- Do not hammer the screws into the wall. This may damage the product or cause the product to fall, leading to personal injury. Samsung is not liable for these kinds of accidents.
- Always have two people install the TV onto a wall.
- For 80" or larger models, have four people install the TV onto a wall.

Providing proper ventilation for your TV

- When you install your TV, maintain a distance of at least 10 cm between the TV and other objects (such as cabinet, other, etc.) to ensure proper ventilation. Failing to maintain proper ventilation may result in a fire or a problem with the product caused by an increase in the internal temperature.
- When you install your TV with a stand or a wall-mount, use strongly recommended you use parts provided by Samsung Electronics only. Using parts provided by another manufacturer may cause difficulties with the product or result in injury caused by the product falling.

Before Reading This User Manual

This TV comes with this User Manual and an embedded e-Manual (e-Manual).
(On the website www.samsung.com), you can download the manual and see its contents on your PC or mobile device.

Warning! Important Safety Instructions

Please read the Safety Instructions before using your TV.
Refer to the table below for an explanation of symbols which may be on your Samsung product.

CAUTION	
RISK OF ELECTRIC SHOCK. DO NOT OPEN	
CAUTION: TO PREVENT THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER (OR BACK). THERE ARE NO USER-SERVICEABLE PARTS INSIDE. REFER ALL SERVICING TO QUALIFIED PERSONNEL.	
	This symbol indicates that high voltage is present inside. It is dangerous to make any kind of contact with any internal part of the product.
	This symbol indicates that this product has included important instructions concerning operation and maintenance.
	Class I product: This symbol indicates that a safety connection to electrical earth ground is not required. If this symbol is not present on a product with a mains lead, the product must have a safety connection to protective earth ground.
	AC voltage: Rated voltage marked with this symbol is AC voltage.
	DC voltage: Rated voltage marked with this symbol is DC voltage.
	Caution: Consult instructions for use. This symbol instructs the user to consult the user manual for further safety-related information.

Safety Precaution

Caution: Putting anything or climbing on the TV may cause the TV to fall. In particular, ensure your children do not hang on or climb on the TV. This action may cause the TV to tip over, causing serious injuries or death. Follow all safety precautions provided in the Safety Precaution section of the TV. The cabinet stability and safety, you can examine and install the part kit device, referring to "Preventing the TV from falling".

WARNING: Never place a television set in an unstable location. The television set may tip, causing serious personal injury or death. These injuries, particularly to children, can be avoided by taking simple precautions such as:

- Always use caution on stairs or mounting methods recommended by Samsung.
- Always use furniture that can safely support the television set.
- Always ensure the television set is not overhanging the edge of the supporting furniture.
- Always educate children about the dangers of climbing on furniture to reach the television set or its controls.
- Always make cords and cables connected to your television or other connected equipment secured or fastened.
- Never place a television set in an unstable location. Never place the television set on a surface that is uneven, unstable, or too narrow without anchoring both the furniture and the television set to a suitable support.
- Never place the television set on soft or other materials that may be crushed between the television set and supporting furniture.
- Never place items that might tempt children to climb, such as toys and remote controls, on the top of the television or furniture on which the television is placed.
- If the existing television set is going to be replaced and secured, the same considerations as above should be repeated.
- When you have to relocate or lift the TV for replacement or cleaning, be sure not to pull out the stand.

Power

- Do not overload wall outlets, extension cords, or adapters beyond their voltage and capacity. It may cause fire or electric shock.
- Refer to the power specifications section of the manual and/or the power supply label on the product for voltage and ampere information.
- Power supply cords should be placed so that they are not likely to be walked on or pinched by items placed upon or against them. Pay particular attention to cords at the plug end, at wall outlets, and at the point where they exit from the apparatus.
- Never insert anything metallic into the open parts of this apparatus. This may cause electric shock.
- To avoid electric shock, never touch the inside of this apparatus. Only a qualified technician should open this apparatus.
- Be sure to plug in the power cord until it is firmly seated. When unplugging the power cord from a wall outlet, always pull on the power cord's plug. Never yank it by pulling on the power cord. Do not touch the power cord with wet hands.
- If this apparatus does not operate normally, in particular, if there are any unusual sounds or smells coming from it, unplug it immediately and contact an authorized dealer or Samsung service center.
- To protect this apparatus from lightning strikes, or to avoid it unattended and unused for a long time (especially when a fire, the storm, or the threat is left alone), be sure to unplug it from the wall outlet and disconnect the antenna or cable system.
- Accumulated dust can cause an electric shock, an electric discharge, or a fire by causing the power cord to generate sparks and heat or by causing the insulation to deteriorate.
- Use only a properly grounded plug and wall outlet.
- An improper ground may cause electric shock or equipment damage (Class I Equipment only).
- To turn off this apparatus completely, disconnect it from the wall outlet. To ensure you can unplug this apparatus quickly if necessary, make sure that the wall outlet and power plug are readily accessible.

Preventing the TV from falling

- Using the appropriate screws, firmly fasten a set of brackets to the wall. Confirm that the screws are firmly attached to the wall.
 - You may need additional material such as wall anchors, depending on the type of wall.
- Using the appropriate stand screws, firmly fasten a set of brackets to the TV.
 - For the precise specifications, refer to the standard screw part in the table on the Quick Setup Guide.
- Connect the brackets fast to the TV and the brackets fast to the wall with a double, heavy-duty string, and then tie the string tightly.
 - Install the TV near the wall so that it does not fall backwards.
 - Connect the string so that the brackets fast to the wall are at the same height as or lower than the brackets fast to the TV.
