

A close-up photograph of a woman's upper body. She is wearing a white, possibly wet, bikini top. Her arms are crossed over her chest. The background is a soft, out-of-focus grey. Overlaid on the image is the title 'GREAT WALL OF SEX' in large, bold, yellow 3D block letters with a black outline. Below the title is the subtitle 'Asian Sex Diaries 2' in a black cursive font. At the bottom right is the author's name 'Viola Venz' in a white cursive font.

GREAT WALL OF SEX

Sex English Edition:

The Second Sex Simone De Beauvoir, 2012-02-15 The essential masterwork that has provoked and inspired generations of men and women From Eve's apple to Virginia Woolf's room of her own Beauvoir's treatise remains an essential rallying point urging self-sufficiency and offering the fruit of knowledge Vogue This unabridged edition reinstates significant portions of the original French text that were cut in the first English translation Vital and groundbreaking Beauvoir's pioneering and impressive text remains as pertinent today as when it was first published and will continue to provoke and inspire generations of men and women to come

The Psychology of Sex (Vol. 1-6) Havelock Ellis, 2020-12-17 This edition contains three studies which seem to me to be necessary prolegomena to that analysis of the sexual instinct which must form the chief part of an investigation into the psychology of sex The first sketches the main outlines of a complex emotional state which is of fundamental importance in sexual psychology the second by bringing together evidence from widely different regions suggests a tentative explanation of facts that are still imperfectly known the third attempts to show that even in fields where we assume our knowledge to be adequate a broader view of the phenomena teaches us to suspend judgment and to adopt a more cautious attitude So far as they go these studies are complete in themselves their special use as an introduction to a more comprehensive analysis of sexual phenomena is that they bring before us under varying aspects a characteristic which though often ignored is of the first importance in obtaining a clear understanding of the facts the tendency of the sexual impulse to appear in a spontaneous and to some extent periodic manner affecting women differently from men This is a tendency which later I hope to make still more apparent for it has practical and social as well as psychological implications Here and more especially in the study of those spontaneous solitary manifestations which I call auto-erotic I have attempted to clear the ground and to indicate the main lines along which the progress of our knowledge in these fields may best be attained

Studies in the Psychology of Sex (Vol. 1-6) Havelock Ellis, 2020-07-14 This edition contains three studies which seem to me to be necessary prolegomena to that analysis of the sexual instinct which must form the chief part of an investigation into the psychology of sex The first sketches the main outlines of a complex emotional state which is of fundamental importance in sexual psychology the second by bringing together evidence from widely different regions suggests a tentative explanation of facts that are still imperfectly known the third attempts to show that even in fields where we assume our knowledge to be adequate a broader view of the phenomena teaches us to suspend judgment and to adopt a more cautious attitude So far as they go these studies are complete in themselves their special use as an introduction to a more comprehensive analysis of sexual phenomena is that they bring before us under varying aspects a characteristic which though often ignored is of the first importance in obtaining a clear understanding of the facts the tendency of the sexual impulse to appear in a spontaneous and to some extent periodic manner affecting women differently from men This is a tendency which later I hope to make still more apparent for it has practical and social as well as psychological implications

Here and more especially in the study of those spontaneous solitary manifestations which I call auto erotic I have attempted to clear the ground and to indicate the main lines along which the progress of our knowledge in these fields may best be attained

Studies in the Psychology of Sex Havelock Ellis, 1906

Sex Daniel Orrells, 2015-04-30

Sex is fundamental to society We cannot think about politics power identity or culture without also thinking about sexuality Despite this the scientific study of sexual behaviour is a relatively recent phenomenon Doctors legal experts and other intellectuals have all pondered challenging questions in an attempt to stay abreast of the latest sexual research How might we separate talking about sex scientifically from discussing and consuming pornography How do we speak objectively about desire and pleasure And how do the words that we use to talk about sex affect what we are able to say about it Such questions increasingly inform public discourse across a variety of media Showing how ancient words and ideas have left a significant imprint on present day ideas about sex Daniel Orrells offers a bold new narrative of how the scientific study of sexuality came into being Uncovering the intriguing story of how the obscene and erotic verse of Roman epigram and love poetry became the sanitised language of nineteenth century sexual science this divertingly readable book demonstrates how the reception of both Latin and Greek texts was central to the development of modern sexology and psychoanalysis Ranging from Sappho Catullus and Martial to Michel Foucault Richard von Krafft Ebing and Sigmund Freud the author reveals just how profoundly classics has shaped the landscape of sexual identity that we inhabit today

Doubting sex Geertje Mak, 2013-01-18 An adolescent girl is mocked when she takes a bath with her peers because her genitals look like those of a boy A couple visits a doctor asking to create more space in the woman for intercourse A doctor finds testicular tissue in a woman with appendicitis and decides to keep his findings quiet These are just a few of the three hundred European case histories of people whose sex was doubted during the long nineteenth century that Geertje Mak draws upon in her remarkable new book How did people deal with such situations How did they decide to which sex a person should belong This groundbreaking analysis of clinical case histories shows how sex changed from an outward appearance inscribed in a social body to something to be found deep inside body and self A fascinating easy to follow yet sophisticated argument addressing major issues of the history of body sex and self this volume will fit advanced undergraduate courses while challenging specialists

Studies in the Psychology of Sex: Sexual inversion Havelock Ellis, 1901

Studies in the Psychology of Sex: Sexual inversion. 3d ed., rev. and enl Havelock Ellis, 1915

The Routledge History of Sex and the Body Sarah Toulalan, Kate Fisher, 2013-03-20 The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day The history of sex and the body is an expanding field in which vibrant debate on for instance the history of homosexuality is developing This book examines the current scholarship and looks towards future directions across the field The volume is divided into fourteen thematic chapters which are split into two chronological sections 1500 1750 and 1750 to present day Focusing on the history of sexuality and the body in the West

but also interactions with a broader globe these thematic chapters survey the major areas of debate and discussion Covering themes such as science identity the gaze courtship reproduction sexual violence and the importance of race the volume offers a comprehensive view of the history of sex and the body The book concludes with an afterword in which the reader is invited to consider some of the tensions problems and areas deserving further scrutiny Including contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the body

Sex and Society in Early Twentieth-century Spain Alison Sinclair,2007 Examines issues of sex and society in early twentieth century Spain using a specific case history namely that of Hildegart Rodriguez 1914 1933 who came to be one of the central players in the Spanish chapter of the World League for Sexual Reform WLSR and made famous by her dramatic demise when murdered by her mother

Studies in the Psychology of Sex: Sexual inversion. [2d ed Havelock Ellis,1902

Women's Sexual Development Martha Kirkpatrick,2012-12-06 This is not a textbook nor an encyclopedia rather it is a collection of papers representing a variety of points of view on contemporary issues controversies and questions about female sexual development The editor has a point of view not a point of view as to which of the various authors positions presented in this book is correct or even the most useful but a point of view about the format of such a book namely that the definitive answers and the experts who will provide them are not yet identified Therefore many voices should be heard from different areas of expertise training experience and back ground Inevitably there are contradictions and disagreements There should be Several authors who were asked to provide short discussions for papers found themselves unable to answer in less than an additional paper The editor welcomed this response This is an area full of ancient myths new discoveries and alternate perspectives It is hoped that the book reflects these ambiguities and controversies and that it will stimulate as many questions as it provides answers You will find represented in this volume and its forthcoming companion volume on women's sexual experience authors not generally found together between the covers When useful and where possible a discussion or an addendum to a paper has been included by an author who approaches the subject from a different base of information or experience

Studies in the psychology of sex. v.2, 1902 Havelock Ellis,1906

Same-Sex Unions in Premodern Europe John Boswell,2013-08-28 Both highly praised and intensely controversial this brilliant book produces dramatic evidence that at one time the Catholic and Eastern Orthodox churches not only sanctioned unions between partners of the same sex but sanctified them in ceremonies strikingly similar to heterosexual marriage ceremonies

The Routledge Handbook of Translation and Sexuality Brian James Baer,Serena Bassi,2024-08-19 The Routledge Handbook of Translation and Sexuality questions what it would mean to think of sexualities transnationally and explores the way cultural ideas about sex and sexuality are translated across languages It considers how scholars chart the multilingual rise of the modern sexual sciences in the nineteenth and twentieth centuries

how translators writers and readers respond to sexual modernities and to what extent the keywords of queer social movements travel across borders The handbook draws from fields as diverse as translation studies critical multilingualism studies comparative literature European studies Slavic studies Middle Eastern studies Latin American studies and East Asian studies This pioneering handbook maps out an emerging brand of women s gender and sexuality studies that approaches sexualities as translational formations Divided into two parts the handbook covers Theoretical chapters on the interdisciplinary dialogue between translation studies and queer studies Empirical studies of both canonic and minor scientific religious literary philosophical and political texts about sex and sexuality in translation across a variety of world languages With 20 chapters written by leading academics from around the world The Routledge Handbook of Translation and Sexuality will serve as an important reference for students and scholars in the fields of translation studies applied linguistics modern languages and women s gender and sexuality studies

Sex Dolls at Sea Bo Ruberg, 2022-06-14 Investigating and reimagining the origin story of the sex doll through the tale of the sailor s dames de voyage The sex doll and its high tech counterpart the sex robot have gone mainstream as both the object of consumer desire and the subject of academic study But sex dolls and sexual technology in general are nothing new Sex dolls have been around for centuries In *Sex Dolls at Sea* Bo Ruberg explores the origin story of the sex doll investigating its cultural implications and considering who has been marginalized and who has been privileged in the narrative Ruberg examines the generally accepted story that the first sex dolls were dames de voyage rudimentary figures made of cloth and leather scraps by European sailors on long lonely ocean voyages in centuries past In search of supporting evidence for the lonesome sailor sex doll theory Ruberg uncovers the real history of the sex doll The earliest commercial sex dolls were not the dames de voyage but the femmes en caoutchouc women made of inflatable vulcanized rubber beginning in the late nineteenth century Interrogating the sailor sex doll origin story Ruberg finds beneath the surface a web of issues relating to gender sexuality race and colonialism What has been lost in the history of the sex doll and other sex tech Ruberg tells us are the stories of the sex workers women queer people and people of color whose lives have been bound up with these technologies

On ne naît pas femme : on le devient Bonnie Mann, Martina Ferrari, 2017-07-20 This collection of essays takes up the most famous feminist sentence ever written Simone de Beauvoir s *On ne naît pas femme on le devient* finding in it a flashpoint that galvanizes feminist thinking and action in multiple dimensions Since its publication the sentence has inspired feminist thinking and action in many different cultural and linguistic contexts Two entangled controversies emerge in the life of this sentence a controversy over the practice of translation and a controversy over the nature and status of sexual difference Various translations into English as *One is not born but rather becomes a woman* Parshley 1953 *one is not born but rather becomes woman* Borde and Malovany Chevallier 2010 and *women are made* not born in popular parlance the conflict over the translation crystallizes the feminist debate over the possibilities and limitations of social construction as a theory of sexual difference When Sheila Malovany Chevallier and

Constance Borde contributors to this volume translated *Le Deuxi me Sexe* into English in 2010 their decision to alter the translation of the famous sentence by omitting the a ignited debate that has not yet exhausted itself The controversy over the English translation has opened a conversation about translation practices and their relation to meaning more generally and broadens in this volume into an examination of the life of Beauvoir s key sentence in other languages and political and cultural contexts as well The philosophers translators literary scholars and historian who author these essays take decidedly different positions on the meaning of the sentence in French and thus on its correct translation in a variety of languages but also on the meaning and salience of the question of sexual difference as it travels between languages cultures and political worlds

The sexual life of our time: a complete encyclopaedia of the sexual Iwan Bloch,1937 *The Sexual Life of Our Time in Its Relations to Modern Civilization* Iwan Bloch,1909
