Perfect Love Imperfect Relationships:

Perfect Love, Imperfect Relationships John Welwood, 2005-12-27 A nationally known couples therapist reveals the single root cause of all relationship problems and offers revolutionary advice on what to do about it While most of us have moments of loving freely and openly it is often hard to sustain this where it matters most in our intimate relationships If love is so great and powerful why are human relationships so challenging and difficult If love is the source of happiness and joy why is it so hard to open to it fully and let it govern our lives In this book John Welwood addresses these questions and shows us how to overcome the most fundamental obstacle that keeps us from experiencing love's full flowering in our lives Perfect Love Imperfect Relationships begins by showing how all our relational problems arise out of a universal wound of the heart that affects not only our personal relationships but the quality of life in our world as a whole This core wound shows up as a pervasive mood of unlove a deep sense that we are not intrinsically lovable just as we are It shuts down our capacity to trust so that even though we may hunger for love we have difficulty opening to it and letting it circulate freely through us This book takes the reader on a powerful journey of healing and transformation that involves learning to embrace these imperfections within ourselves and within our relationships as trail markers along the path to great love It sets forth a process for releasing deep seated grievances we hold against others for not loving us better and against ourselves for not being better loved And it shows how our longing to be loved can magnetize the great love that will free us from looking to others to find ourselves Written with penetrating realism and a fresh lyrical style that honors the subtlety and richness of our relationship to love itself this revolutionary book offers profound and practical guidance for healing our lives as well as our embattled world

Media,2022-05-19T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The pure essence of love is like the sun in a cloudless sky and it shines through relationships most brightly in beginnings and endings When you put yourself aside and open up to another person you are demonstrating the pure essence of love 2 When two people are able to see and appreciate each other as they are they share a moment of I Thou recognition This provides them with a sense of well being and power as they realize that they belong to all 3 Human love helps us connect with who we really are It is indispensable because it helps us realize our essential beauty and power where we are one with life itself because we are completely transparent to life 4 Love is a healing power that can only work on what presents itself for healing If our woundedness remains hidden it can only fester Love is always relative never absolute **Rewriting the Rules** Meg John

Do I Do Now The Secrets of a Midlife Reboot The Real Brass Ring takes The Secret on a high speed road test in a tale of midlife transformation in the real flesh and blood world of contemporary Chicago It is the story of a midlife reboot a raw unfiltered journey of enlightenment that illustrates a woman s daunting personal reinvention and the rewards of fearlessly pursuing a life s true calling After a jolting encounter with internationally known psychic and author Sonia Choquette Dianne Bischoff James is forced to face the truth about her life Sonia s words cut like a knife Dianne you are a talented writer healer teacher and performer But sadly your life is heading down the wrong path Your brass ring is coming by and you need to grab it before it s too late You have modeled yourself after your parents desires You are completely stuck in the make believe role

of being a good girl You live with depression because nothing about your life is your own Fix your ways or soon it will be too late Dianne had achieved an impressive education an accomplished entrepreneurial career a busy family life and social status yet somehow she had completely missed the real brass ring Although she had had a perfectly traditional background her marriage was a sham career uninspiring health failing and self esteem and spirituality non existent At 38 it was as if she had awakened to a nightmare she had been living a profound lie Finding herself completely off track Dianne openly bares her soul and utilizes the metaphysical principles of The Secret to set out to change every aspect of her existence She insists that she is worthy of an authentic romantic relationship and initiates the break up of her marriage with three children in tow and dives into midlife cougar dating including a close call with a charming but dangerously abusive alcoholic By experimenting with the Law of Attraction she also launches the acting career she had always dreamed of as a child and surprises even herself with success in an extremely competitive arena Gradually yet boldly Dianne also faces other critical issues including physical afflictions a terrifying financial recession and the death of a loved one removing each daunting roadblock one by one and manifesting a newly created self I d approached every change as a free fall diving through the air and grabbing at brass rings along the way Dianne writes I d made more mistakes than I could even count but I also absorbed the painful yet innately valuable teachings Now I had what I wanted all along emotional peace love a uniquely sculpted family unit an outlet for my creativity and a new life in hand This was the picture Sonia painted for me on my 38th birthday it just took me over a decade to erect the living model from the shadows By chronicling her own personal reinvention with grit humor incisiveness and compassion in The Real Brass Ring Dianne provides the inspiration and passion others need to reclaim their authentic self Body & Soul ,2006 **American Book Publishing Record** ,2005 Tricycle ,2006 Library Journal ,2005
