*Personal Finance* Robert S. Rosefsky,1982      Live for Today! Robert Montague,2009-12 Experience a journey that will take you through four major aspects of Financial Planning as it comingles with personal Life Planning You will see a focus on investment strategies and financial knowledge while helping you to understand the many aspects of personal finance economics estate retirement planning You will learn of our endless pursuits for material wealth and success at the expense of our health and well being Although the pursuit of wealth and success is an ingrained social and cultural phenomenon sound advice and practical solutions are sprinkled throughout the book to help you manage these societal pressures Goals and planning are a common thread throughout the book and you will be convinced of the power of the written plan as you move through the pages Financial planning is not simply about buying a term deposit stock or mutual fund but a comprehensive process involving every aspect of your personal financial life From the initial stage of Discovery through Knowledge Planning and Development to Action you will come to realize that it is not a one time deal depositing money into a particular investment or setting up an insurance policy It is an ongoing dynamic process that changes with your life stages and goals If you were wondering what has caused the recent financial crisis of 2008 nearly collapsing the global economy Montague explains why and how this happened Economic fundamentals ultimately determine corporate earnings which drive the stock markets up steep hills over bumpy roads and sometimes right over a cliff But written in these pages are many rational investment strategies and conservative money management ideas that will help you to save and invest throughout your

careers and retirement with a peace of mind The component parts of the book are tied together by a philosophy of life that promotes a balanced and moderate life style that will result in peace of mind I will show you that you have permission to make guilt free change for selfish reasons if needed for your own self preservation Knowledge and developing a passion for learning versus the pursuit of wealth and success are alternate paths everyone should consider In the end you will discover the true secret the truth has always been inside you if you listen The major theme is quite clear on the importance to Live For Today Plan For Tomorrow      **Credit and Financial Management** ,1924
