# Sample Personal Narrative

## Keep an Eye on the Sky!

The writer sets the scene and makes the reader want to read more.

I was in gym class when my teacher suggested we go outside and play softball. As we made our way out to the field, my stomach slowly turned into a giant knot of fear.

The writer describes a problem he or she faced.

Softball is just not my game. I have a knack for always getting hit in the head by the ball. It doesn't matter where I'm standing. The ball just seems to find me.

My teammates gave me a glove and put me way out in left field. I didn't complain. I just wanted to make sure I knew when gym class ended so I wouldn't be left behind.

The writer gives details to help the reader form a picture of the events.

Nothing happened the first three innings. Well, things happened but not in my little part of the softball field. I started daydreaming. The next thing I knew, I heard the sound of a ball whizzing through the air. I put up my glove to protect my head, and an amazing thing happened. I caught the ball in my glove! Not only did I catch the ball, but I helped my team to win.

I was a hero to my classmates for the rest of the day. And I learned something. I may not always see the flying balls that come my way, but I can always take a chance and try to catch one.

The writer gives his or her narrative a title.

The writer describes an experience that happened to him or her.

The writer describes his or her feelings about the situation.

The writer describes the events in the order in which they happened.

The writer ends his or her story by sharing what he or she learned from this experience.

## **Personal Narratives Essays Examples:**

Teaching Powerful Personal Narratives Mary Jane Reed, 2004 The author divides the components of good narrative writing into chapters that teachers can use a la carte to develop the skills their students need Though tailored for teachers with students working on college application essays this text can bolster any students narrative writing Includes a CD ROM of supplemental material

Personal Narratives, Peripheral Theatres: Essays on the Great War (1914-18) Anthony Barker, Maria Eugénia Pereira, Maria Teresa Cortez, Paulo Alexandre Pereira, Otilia Martins, 2017-12-14 This book is a collection of essays on neglected aspects of the Great War It begins by asking what exactly was so Great about it before turning to individual studies of various aspects of the war These fall broadly into two categories Firstly personal micro narratives that deal directly with the experience of war often derived from contemporary interest in diaries and oral histories Presenting both a close up view of the viscerality and the tedium and powerlessness of personal situations these same narratives also address the effects of the war on hitherto under regarded groups such as children and animals Secondly the authors look at the impact of the course of the war on theatres often left out in reflections on the main European combatants and therefore not part of the regular iconography of the trenches in places such as Denmark Canada India the Levant Greece and East Africa

Personal Narrative, Revised Bronwyn Clare LaMay, 2016 In this inspirational book LaMay shows readers how to transform classrooms and schools into places where youth can explore the intersection between literacy and their lives This book is the culmination of a literacy curriculum that the author and her high school students wrote dialogically beginning with their attempt to define love Through real life classroom examples they demonstrate how an innovative curriculum that intertwines personal and academic engagement can create space for students to explore their identities connect to literary texts and develop agency as writers and thinkers In this important contribution to literacy educators the author shows how personal narratives can help students rebuild their fractured relationships with school and envision writing and academic achievement as playing a role in their futures Book Features Evidence of how students social emotional and academic growth may intertwine in the interest of school engagement A re conceptualization of the complex layers of the personal narrative genre and its role in the pedagogy of academic writing A reinterpretation of the transformational role of revision in students academic and life texts Examples of writing and interview data that illustrate the diversity of student responses Heart and mind blend in this remarkable story of a teacher and her students working with courageous determination to create an education that values young people and gives weight and meaning to their lives Mike Rose UCLA Graduate School of Education and Information Studies and author of Why School Reclaiming Education for All of Us This wonderful book demonstrates how enabling students to tackle ideas that are meaningful to them can produce both rigor and integrity in the learning process Linda Darling Hammond president Learning Policy Institute Bronwyn LaMay takes Toni Morrison s concept of response ability to heart and develops a powerful sequenced theory of narrative revelation in order to

Younger-Generation Korean Experiences in the United States Thomas Chung, Pyong Gap Min, 2014-06-11 Younger Generation Korean Experiences in the United States Personal Narratives on Ethnic and Racial Identities compares the formation of the ethnic identities of two distinct cohorts of Korean Americans Through personal essays the book explores four influential factors of ethnic identity retention of ethnic culture participation in ethnic social networks links to the mother

country and its global power and influence and experiences with racial prejudice and discrimination The essays reflect certain major changes between the two cohorts the first growing up in the 1960s and early 1970s and the second growing up during the 1980s and early 1990s and proves how an increase in the Korean population and in the number of ethnic organizations helped the second cohort Korean Americans retain their cultural heritage in a more voluntary and therefore meaningful way This book s combination of first hand experiences and critical analysis makes it a valuable resource for studies of ethnicity culture identity formation and the Asian American experience

## Decoding **Personal Narratives Essays Examples**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
