Ramos Gin Fizz

Recipe Ramos Gin Fizz

Warren Bobrow

Recipe Ramos Gin Fizz:

The Ramos Gin Fizz John Shelton Reed, 2025-07-09 The Ramos Gin Fizz was invented sometime around 1890 by Henry Charles Carl Ramos at his Imperial Cabinet saloon in New Orleans It includes lemon and lime juice egg white cream and orange flower water and shaken properly it becomes a foamy white concoction that has been called the nectar of New Orleans the Cadillac of Cocktails and the Crescent City's most notable contribution to civilized tippling This book offers a history of the drink and a biography of its inventor starting with the early years in which the Ramos Gin Fizz became nationally famous as a New Orleans icon Although Prohibition almost put an end to it in New Orleans it survived elsewhere for instance at the Cadillac Bar in Nuevo Laredo and after Prohibition's repeal the drink quickly recovered and was once again a New Orleans favorite In the 1940s and 50s it became known as a sophisticated and glamorous drink popular with celebrities such as Frank Sinatra and Tennessee Williams Like many classic American cocktails the Ramos Gin Fizz was eclipsed by fruity disco drinks in the 1970s and 80s although it had a strange shadow life as a California brunch drink With the cocktail revival at the turn of the century however it was again recognized as an American classic The Ramos Gin Fizz attempts to reconstruct Ramos's original recipe using modern ingredients and addresses the question of how and how much to shake the drink a subject on which there is surprisingly much to be said Offering recipes for the original drink a modern version and many imaginative riffs this eminently readable book is a must have for any cocktail lover's library Southern Spirits Robert F. Moss, 2016 A captivating narrative history that traces liquor beer and wine drinking in the American South including 40 cocktail recipes Ask almost anyone to name a uniquely Southern drink and bourbon and mint juleps perhaps moonshine are about the only beverages that come up But what about rye whiskey Madeira wine and fine imported Cognac Or peach brandy applejack and lager beer At various times in the past these drinks were as likely to be found at the Southern bar as barrel aged bourbon and raw corn likker The image of genteel planters in white suits sipping mint juleps on the veranda is a myth that never was the true picture is far more complex and fascinating Southern Spirits is the first book to tell the full story of liquor beer and wine in the American South This story is deeply intertwined with the region from the period when British colonists found themselves stranded in a new world without their native beer to the 21st century when classic spirits and cocktails of the pre Prohibition South have come back into vogue Along the way the book challenges the stereotypes of Southern drinking culture including the ubiquity of bourbon and the geographic definition of the South itself and reveals how that culture has shaped the South and America as a whole *The New York Times Essential Book of Cocktails (Second Edition)* Steve Reddicliffe, 2024-05-14 Top 4 Finalist for the Best New Cocktail or Bartending Book in Tales of the Cocktail Foundation's 17th Annual Spirited Awards From minimalist cocktails to classic renditions become the toast of the town who knows how to mix the perfect drink This updated edition contains more than 400 classic and contemporary craft cocktail recipes paired with exceptional writing and the authoritative voice of The New York Times Cocktail hour is one

of America's most popular pastimes and a favorite way to entertain. What better place to find the secrets of craft cocktails than The New York Times? Steve Reddicliffe, the Quiet Drink columnist for The Times, brings his signature voice and expertise to this collection of delicious recipes from bartenders from around the world, with a special emphasis on New York City. This informative guide includes Classics such as the Martini Manhattan, Old Fashioned, and Negroni, served both straight up and with modern twists. New imaginative favorites inspired by the craft distilling boom. Auxiliary recipes for signature ingredients including brandied cherries and brown butter bourbon, plus recipes for cordials, shrubs, bitters, and more. New chapters on non-alcoholic drinks, bourbon cocktails, and vermouth cocktails. A complete guide to home entertaining, setting up your personal bar, and how to build your own cocktail encyclopedia. Engaging essays from the biggest names in cocktail writing. Original interviews with ten bartenders and spirits professionals, including Ivy Mix of Leyenda in Brooklyn, Sothe Teague of Amor y Amargo in Manhattan, and Victoria Eady Butler, master blender of Uncle Nearest bourbon. Reddicliffe has carefully curated this essential collection with memorable writing from famed New York Times journalists like Craig Claiborne, Toby Cecchini, Eric Asimov, Rosie Schaap, Robert Simonson, Melissa Clark, William L. Hamilton, Jonathan Miles, Amanda Hesser, William Grimes, and many more. Discover over 400 recipes and the wit and wisdom of decades of this venerable paper's best cocktail coverage. This revised edition makes a great gift for Father's Day, Graduation, Housewarming parties for host or hostess, Wedding registry for newlyweds with a love for cocktails.

The Essential New York Times Cookbook: Classic Recipes for a New Century (First Edition) Amanda Hesser, 2010-10-25. A New York Times bestseller and Winner of the James Beard Award. All the best recipes from 150 years of distinguished food journalism, a volume to take its place in America's kitchens alongside Mastering the Art of French Cooking and How to Cook Everything. Amanda Hesser, co-founder and CEO of Food52 and former New York Times food columnist, brings her signature voice and expertise to this compendium of influential and delicious recipes from chefs, home cooks, and food writers. Devoted Times subscribers will find the many treasured recipes they have cooked for years: Plum Torte, David Eyre's Pancake, Pamela Sherrod's Summer Pasta, as well as favorites from the early Craig Claiborne New York Times Cookbook and a host of other classics from 1940s Caesar salad and 1960s flourless chocolate cake to today's fava bean salad and no-knead bread. Hesser has cooked and updated every one of the 1,000-plus recipes here. Her chapter introductions showcase the history of American cooking, and her witty and fascinating headnotes share what makes each recipe special. The Essential New York Times Cookbook is for people who grew up in the kitchen with Claiborne, for curious cooks who want to serve a nineteenth-century raspberry granita to their friends, and for the new cook who needs a book that explains everything from how to roll out dough to how to slow-roast fish. A volume that will serve as a lifelong companion.

The Oxford Companion to Spirits and Cocktails David Wondrich, Noah Rothbaum, 2021-10-20.
