Identity Reset Fiona Pyszka, 2016-04-18 You have been created with an identity that no other person has one that is as unique as your fingerprint God designed you to do something that no one else can do The tragedy is that many people believe lies about themselves and despise the very design that God gave them They live life trying to be someone they are not and end up fighting the wrong battle trying to change themselves when all along God has designed them to change the world In this book you will learn to embrace the you that God created and walk in your destiny You will be able to recognize ways that the enemy has tried to mar your identity and stop him in his tracks If you have been struggling with issues like depression identity crisis or damaged self esteem it's time to be free Don't waste another minute living a mediocre life Anything that has been disordered in you can easily be restored by your Creator It's time for your identity reset

Reclaim Myself : a Handbook for Holistic Recovery ** | ** Dustin Gilman-Stienstra, Chaim Durst, 2018-11-05 Part III covers Forgiveness Identity Recovery A compendium on visualization The third part of the book is intended to provide a hopeful resolution to the challenges I discuss in earlier chapters Recovery is not linear I expected to be further along by now I expected to reclaim my physical and mental health quicker than I have But those expectations were based on illusion and only set me up for disappointment I was sick for decades so it only makes sense it will take considerable time and effort to restore the damage I've done to myself and reverse the destructive behavior I've habituated That being said I am growing and recovering at a safe pace I begin the final part by discussing forgiveness There are plenty of reasons I've chosen not to forgive myself for the pain I've caused Likewise there are many reasons I hold on to the resentment I feel towards others for the roles I perceive they've played in my pain Resolving those resentments is essential to further my recovery As part of my discussion of forgiveness I cover regret and the steps I take to release the hold certain regrets have over me The second chapter of Part III covers identity I have had a life long fascination with identity construction My condition has given me the impetus to discover who I am how I got that way and who I wish to become I conclude that chapter by discussing what obstacles block me from becoming the person I wish to be and what steps I must take to overcome those roadblocks I have long concluded my lecture cycle with a chapter on recovery In the past every effort I've made to rehabilitate myself has failed In particular I've struggled each time I've left hospitals behavioral health centers and rehabilitation facilities to maintain the progress I made there For that reason in the chapter on recovery I list practical measures I've taken to avoid relapse Finally I include a compendium of visualization techniques used throughout the three books at the end of Part III I feel it is useful to have the techniques in one place for ease of reference and use My creative focus sustains me It is the most potent weapon I have to fight physical and mental pain as well as a range of other threatening emotions My imagination is one of the few things I can control no matter what condition I'm in
