Margaret Pollak, 2021-09 In *Diabetes in Native Chicago* Margaret Pollak explores experiences, understandings, and care of diabetes in a Native American community made up of individuals representing more than one hundred tribes from across the United States and Canada Today Indigenous Americans have some of the highest rates of diabetes worldwide While rates of diabetes climbed in reservation areas they also grew in cities where the majority of Native people live today Pollak's central argument is that the relationship between human culture and human biology is a reciprocal one colonial history has greatly contributed to the diabetes epidemic in Native populations and the diabetes epidemic is being incorporated into contemporary discussions of ethnic identity in Native Chicago where a vulnerability to the development of diabetes is described as a distinctly Native trait This work is based upon ethnographic research in Native Chicago conducted between 2007 and 2017 with ethnographic and oral history interviews, observations, surveys, and archival research *Diabetes in Native Chicago* illustrates how local understandings of diabetes are shaped by what community members observe in cases of the disease among family and friends Pollak shows that in the face of this epidemic care for disease is woven into the everyday lives of community members Diabetes is not merely a physical disease but a social one perpetuated by social policies and practices and can only be thwarted by changing society *The Hatak Witches* Devon A. Mihesuah, 2021-04-20 After a

security guard is found dead and another wounded at the Children's Museum of Science and History in Norman, Oklahoma Detective Monique Blue Hawk and her partner Chris Pierson are summoned to investigate They find no fingerprints, no footprints, and no obvious means to enter the locked building Monique discovers that a portion of an ancient and deformed skeleton had also been stolen from the neglected museum archives Her uncle, the spiritual leader Leroy Bear Red Ears, concludes that the stolen remains are those of Hatak haksi, a witch, and the matriarch of the Crow family, a group of shape-shifting Choctaws who plan to reestablish themselves as the powerful creatures they were when the tribe lived in Mississippi Monique, Leroy, and Chris must stop the Crows, but to their dread, the entities have retreated to the dark and treacherous hollow in the center of Chalakwa Ranch The murderous shape-shifters believe the enormous wild hogs, poisonous snakes, and other creatures of the hollow might form an adequate defense for Hatak haksi But what no one counts on is the unexpected appearance and power of the Old Ones who guard the lands of the Choctaw afterlife Blending tribal beliefs and myths into a modern context *The Hatak Witches* continues the storyline of Choctaw cosmology and cultural survival that are prominent in Devon A. Mihesuah's award-winning novel *The Roads of My Relations* *Dueling Chefs* Maggie Pleskac, Sean
