This was one of Abuelito s favorite soups Abuelito was a great storyteller and he especially loved keeping us up with ghost stories on hot summer nights when we kids were sleeping outside on cots He told us about La Llorona The Crying One a woman whose children died in a fire when she left them alone to go to a party and the story called Dancing with the Devil at Elysean Groves about a girl who disobeyed her parents and went dancing only to discover that her partner was the devil There are a variety of versions of these stories Abuelito kept us in anticipation for days as he told little bits of Aladino y la Lamparita Maravillosa Aladdin and the Magic Lamp each night until it was finished After I graduated from high school my cousin Elaine a friend and I went to California to make our fortunes We returned home after three months flat broke and willing to seek our fortunes in Tucson instead On the night of our return Elaine and I decided to go to a local

dance to catch up on everything we'd missed that summer. When we got home that night Abuelito unlocked the door for us and then hid around the corner with a sheet over his head to scare us like he had done when we were kids. Later that night he passed away leaving us with sweet memories of the loving tender man that he was.

ReviewBOOKLIST JULY 1999 Other authors have documented the foods of America's Southwest but none have so lovingly drawn the intimate connections between this kind of cooking and the society from which it springs. Thorpe and Engels have organized their recipes by seasons to show how the people, the land, and the food come together to bring life to the area's inhabitants. Their cuisine is a simple one lacking the sophistication of cooking south of the border. For example, their mole sauce for chicken calls for just peanuts and chili powder instead of the long inventory of nuts, seeds, and chiles required in Oaxaca. Many of the recipes include a note on herbal medicine; others have short reflections on the recipe's significance in the family; still others conclude with an apothegm of local folk wisdom.

Mark Knoblauch *Authentic Southwestern Cooking* Lynn Nusom, 1999 Although the tastes are rich and complex, southwestern cooking is really very simple. *Authentic Southwestern Cooking* includes all the favorites from delicious standards like chicken enchiladas and caldo to tasty Indian fry bread and empanadas. Author Lynn Nusom's straightforward directions help you enjoy the food of the Southwest at home. A handy pantry section shows you how to find ingredients or substitutes wherever you live. And color photographs show you how to present the meals with panache. They are all here: burritos, nachos, guacamole, flan, and many more. Some of the tastiest cooking in the world developed from the blending of the Indian and Spanish cultures. *Authentic Southwestern Cooking* brings this delicious food to you in a simple, clear format.

Rancho de Chimayo Cookbook Cheryl Jamison, Bill Jamison, 2014-05-06 Situated just 30 miles north of Santa Fe off the High Road to Taos, the highly acclaimed Rancho de Chimayo Restaurant has been serving traditional New Mexican cuisine in a beautiful setting for half a century. The atmosphere at this traditional Spanish hacienda, surrounded by mountains, is rivaled only by the fine native cooking served in the grand, early tradition by generations of the Jaramillo family.
