Red Rising Tome Red Rising Adventure:

Red Rising and Philosophy Courtland Lewis, Kevin McCain, 2016-11-10 Red Rising and Philosophy has gathered together a crew of the wisest Helldivers philosophy can offer Could humanity's love of physical enhancements cause its extinction Do people doom humanity by trying to all be the same Can a person love someone while at the same time wanting that person destroyed Is equality always the best principle on which to organize society What is evil and how does it exist in contemporary life Does one remain the same person even after changing every physical aspect of one's body Is it moral to sell oneself into slavery whether it's through sex or manual labor Is it ethical to sell one's children into slavery on the promise that their children will live in peace and tranquility These questions and more are what make Brown's Red Rising trilogy such an impactful story Brown pulls no punches and philosophy works best in such an environment Red Rising and Philosophy is not for the timid or the faint at heart It's not The Passage since no one will die from reading it but reading it could be a life changing experience

Adventure ,1914 *The First City on Mars: An Urban Planner's Guide to Settling the Red Planet* Justin B. Hollander,2023-02-01 Hundreds of novels films and TV shows have speculated about what it would be like for us Earthlings to build cities on Mars To make it a reality however these dreamers are in sore need of additional conceptual tools in their belt particularly a rich knowledge of city planning and design Enter award winning author and Tufts University professor Justin Hollander In this book he draws on his experience as an urban planner and researcher of human settlements to provide a thoughtful exploration of what a city on Mars might actually look like Exploring the residential commercial industrial and infrastructure elements of such an outpost the book is able to paint a vivid picture of how a Martian community would function the layout of its public spaces the arrangement of its buildings its transportation network and many more crucial aspects of daily life on another planet Dr Hollander then brings all these lessons to life through his own rendered plan for Aleph one of many possible designs for the first city on Mars Featuring a plethora of detailed cutting edge illustrations and blueprints for Martian settlements this book at once inspires and grounds the adventurous spirit It is a novel addition to the current planning underway to colonize the Red Planet providing a rich review of how we have historically overcome challenging environments and what the broader lessons of urban planning can offer to the extraordinary challenge of building a permanent settlement on Mars

1984 and Philosophy Ezio Di Nucci,Stefan Storrie,2018-05-18 Although the year 1984 is hurtling back into the distant past Orwell s novel Nineteen Eighty Four continues to have a huge readership and to help shape the world of 2084 Sales of Orwell s terrifying tale have recently spiked because of current worries about alternate facts post truth and fake news 1984 and Philosophy brings together brand new up to the minute thinking by philosophers about Nineteen Eighty Four as it relates to today s culture politics and everyday life Some of the thinking amounts to thoughtcrime but we managed to sneak it past the agents of the Ministry of Truth so this is a book to be read

quickly before the words on the page mysteriously transform into something different Who's controlling our lives and are they getting even more levers to control us Is truth objective or just made up What did Orwell get right and did he get some things wrong Are social media opportunities for liberation or instruments of oppression How can we fight back against totalitarian control Can Big Brother compel us to love him How does the language we use affect the way we think Do we really need the unifying power of hate Why did Orwell make Nineteen Eighty Four so desperately hopeless Can science be protected from poisonous ideology Can we really believe two contradictory things at once Who surveils the surveilors **Mr. Robot and Philosophy** Richard Greene, Rachel Robison-Greene, 2017-07-01 Mr Robot has been hailed not only as one of the most haunting and unnerving dramas ever to appear on television but also as the first accurate popular presentation of how computer hacking and cyberterrorism actually work Mr Robot and Philosophy is aimed at thoughtful fans of this addictive show who will welcome the opportunity to explore Elliot Alderson's world from a philosophical perspective The developing story of Mr Robot constantly raises ethical and metaphysical issues What happens to our personal identity when it's extended into cyberspace and an array of electronic devices Are we in control of our online lives or are we being controlled What does our right to privacy mean in a world where millions of people can observe what we're doing and saying Is a virtual currency true money and could it replace traditional money Can there be healthy forms of drug addiction Can some types of so-called mental illness be useful and beneficial Does it make any sense to unleash destruction upon the existing corporate economic structures and can we expect something better to emerge from the ruins of a digital meltdown The Man in the High Castle and Philosophy Bruce Krajewski, Joshua Heter, 2017-08-04 The Man in the High Castle is an Amazon TV show based on the Philip K Dick novel about an alternate present beginning in the 1960s in which Germany and Japan won World War II with the former Western US occupied by Japan the former Eastern US occupied by Nazi Germany and a small neutral zone between them A theme of the story is that in this alternative world there is eager speculation fueled by the illicit newsreel The Grasshopper Lies Heavy about how the world would have been different if America had won the war In The Man in the High Castle and Philosophy twenty-two professional thinkers look at philosophical issues raised by this ongoing enterprise in alternative history One question is whether it really made a profound difference that the Allies won the war and exactly what differences in everyday life we may expect to arise from an apparent historical turning point Could it be that some dramatic historical events have only superficial consequences while some unnoticed occurrences lead to catastrophic results Another topic is the quest for truth in a world of government misinformation and how dissenting organizations can make headway
