Encyclopedia of Literary Translation Into English: A-L O. Classe,2000 **The English Translation of Cāndāyan** Naseem A. Hines,2023-06-16 This book is the first English translation of C nd yan the pioneer work in a long tradition of Indian Sufi love narratives The story was adapted from an oral epic Chanaini popular in the Awadhi speaking region of north India in the fourteenth century The early manuscripts of C nd yan though composed in the Awadhi dialect were recorded in the Persian script Each stanza like unit is introduced by a phrase or sentences in the Persian language style making it necessary for a reader to know the Persian script and language as well as the Awadhi dialect This somewhat limits

the access to fully explore C nd yan In addition to this the esoteric interpretation which is the distinguishing feature that gives the Indian Sufi masnav literature its unique identity was also not yet realized C nd yan deserves to be celebrated and recognized because it marks the beginning of the indigenizing process of the masnav in India and served as a model for this literary genre for the next 540 years A serious study of Maulana Daud s C nd yan composed in 1379 in the reign of Firoz Shah Tughlaq did not begin until well into the twentieth century because only a few pages of its manuscript folios were discovered at a time in various academic institutions and museums around the world C nd yan is a fascinating study of the blending of the features of the Persian masnav with the features of the Hindi prem khy n narratives and the features of the medieval Jain literature Even today annually in the Mahakoshala region C nd yan is presented in the form of drama and in the folk song and play forms Print edition not for sale in South Asia India Sri Lanka Nepal Bangladesh Pakistan and Bhutan A *Prose English Translation of the Mahabharata* Manmathanatha Datta,1908 *A Prose English Translation of the Mahabharata* Manmatha Nath Dutt,1901 **Jacopo Caviceo's Peregrino** Sherry Roush,2023-02-27 Jacopo Caviceo s Peregrino 1508 was a popular Renaissance prose romance in Italy France and Spain Considered the first novel written for women Peregrino relates the courtship of two young lovers from hostile households who succeed in doing what Romeo and Juliet among others could not reconcile their families and marry without resorting to suicide Peregrino features cameos of historical celebrities who interact with fictitious characters during their many adventures which include a Mediterranean pilgrimage courtly celebrations funerals legal trials and a journey to the Other World The book presents female agency in psychologically developed characters and contexts and includes allusions to previous literary masterpieces such as Homer s epics Virgil s Aeneid and Dante s Divine Comedy This edition includes a detailed introduction and a biography of Jacopo Caviceo Drawing on critical and comparative studies in a broad range of literary interests the book sheds light on the emergence of the modern novel in the early modern period **The Bhatti kavyam of Bhatti (cantos I-IV)** Bhaṭṭi,Vitthal Ganesh Pradhan,1897 **From Obscurity to Enigma** Ido Yavetz,2011-06-17 Oliver Heaviside s electromagnetic investigations from the publication of his first electrical paper in 1972 to the public recognition awarded to him by Lord Kelvin in 1889 have consistently attracted attention over the years and of late have become a major source for the study of the development of field theory after Maxwell From Obscurity to Enigma is the only comprehensive in depth analysis of Heaviside s work It analyses and elucidates his brilliant but often close to indecipherable Electrical Papers and traces the evolution of his ideas against the background of growing knowledge in basic electromagnetic theory telegraphy and telephony during these years The book will be appreciated by historians of science and technology in the late 19th and early 20th centuries and by physicists and electrical engineers many of whom are aware of Heaviside s contributions to their respective fields *Oregon Wilderness* ,1990 **Symbols of Anguish** Helmut Martin,2001 Bern Berlin Bruxelles Frankfurt M New York Oxford Wien Schweizer Asiatische Studien Monographien Bd 38 Herausgegeben von Robert Gassmann The
