

CATHOLIC FUNERALS

FREQUENTLY ASKED QUESTIONS

As you begin to prepare your own funeral or plan for the funeral of a loved one, the information found in this pamphlet will be helpful to you. Just as your Catholic faith has guided you through life, it will support and guide you in preparing to embrace death. Additional information on these topics may be obtained by consulting the Sacramental Guidelines of the Archdiocese of Milwaukee or by calling the archdiocesan Chancery Office.

- 1 Where is the basic understanding and theology of Catholic funerals to be found?**
The Order of Christian Funerals, published in 1989, contains a clear theology of the attitude of the Catholic Church toward life after death and thus the respect the Church has for the human person, body and soul. An appendix to this ritual on cremation was published in 1997. The use of both is mandated in the United States.
- 2 How is respect to be shown to the deceased?**
The body of the deceased is to be buried (interment) or entombed in a mausoleum (entombment). These practices demonstrate Christian faith in awaiting the resurrection. (Cremation is covered later, in a separate section.)
- 3 May Catholics who have been divorced and remarried outside the Church or who have committed suicide be buried with a Catholic ceremony?**
Yes. Such circumstances of themselves do not exclude the possibility of a Catholic burial. In individual cases the Chancery Office of the archdiocese should be consulted.

OVERVIEW OF CHRISTIAN FUNERAL RITES

- 4 How many parts make up the funeral rites?**
There are three main parts: 1) the Vigil, 2) the Funeral Liturgy (with or without Mass) and 3) the Rite of Committal. Besides these, other rites are provided, e.g., prayers just after death, prayers for gathering in the presence of the body at the beginning of a visitation, and prayers for transferring the body to the church.
- 5 Must funeral rites be led by priests?**
The ritual of the Catholic Church allows for priests or deacons, to conduct the various services including the Vigil, a Funeral Liturgy apart from a Funeral Mass, and the Rite of Committal. Lay leaders of prayer may conduct the Vigil and the Rite of Committal.

In the Snare of the Fowler Dale Patterson, 2007-08 City folk pass through one stop light towns often not understanding their charms They shudder to think of ever living in such a hick address away from the glitter glamour and sophistication of the American metropolitan sprawl Surprisingly while rural America is an endangered species the people that dwell there face many of the same joys and heartaches as city folk Only the context is changed In the Snare of the Fowler is a reminiscence of life beyond the spotlight The stories of the people at Little League games Easter Sunrise Services funerals high school graduations county fairs shed endearing light on life in our small towns A city dweller tells these remembrances when by a great surprise he became a parish pastor in just such a town Rather than being horrified by the tiny dot on the map he fell in love with the people and the life in a one stoplight town

Accompany Them with Singing--The Christian Funeral Thomas G. Long, 2009-10-02 Thomas Long begins this fascinating volume by describing how the Christian funeral developed historically theologically and liturgically and then discusses recent cultural trends in funeral practices including the rise in both cremations and memorial services He describes the basic pattern for a funeral service details options in funeral planning identifies characteristics of a good funeral and provides thoughtful guidance for preaching at a funeral Long also notes a disturbing trend toward funeral services that

seem theologically right and pastorally caring but actually depart from the primary aims of the Christian funeral He argues that a new less theological and less satisfying service that focuses on the mourner has begun to erode the Christian view He contrasts the ancient grand community drama with today's trend toward body less memorial services that focus primarily on the living and grief management This is a loss for the church he argues and he calls for the church to reclaim the classic metaphor

We all know how this ends Anna Lyons, Louise Winter, 2021-03-18 Wonderful thoughtful practical Cariad Lloyd Griefcast Encouraging and inspiring Dr Kathryn Mannix author of Amazon bestseller With the End in Mind We all know how this ends is a new approach to death and dying showing how exploring our mortality really can change our lives End of life doula Anna Lyons and funeral director Louise Winter have joined forces to share a collection of the heartbreaking surprising and uplifting stories of the ordinary and extraordinary lives they encounter every single day From working with the living the dying the dead and the grieving Anna and Louise reveal the lessons they've learned about life death love and loss Together

they've created a profound but practical guide to rethinking the one thing that's guaranteed to happen to us all. We are all going to die, and that's OK. Let's talk about it. This is a book about life and living as much as it's a book about death and dying. It's a reflection on the beauties, blessings, and tragedies of life: the exquisite agony and ecstasy of being alive and the fragility of everything we hold dear. It's as simple and as complicated as that.

Death and Burial in Socialist Yugoslavia Carol S. Lilly, 2024-02-08 Across the globe, memorial and grave sites are being increasingly weaponized in conflicts and politicized by parties to advance agendas. Here Carol S. Lilly examines ideas of death, politics, memory, ideology, and nationalism in the former Yugoslav republics of Bosnia, Hercegovina, Croatia, and Serbia to shine fresh light on cemetery culture in 20th-century Europe. More specifically, *Death and Burial in Socialist Yugoslavia* argues that while the CPY created its own communities of the dead in postwar Partisan Cemeteries, it failed to do the same for civilian cemeteries in ways that might reinforce its ideals of secularism, pluralism, and brotherhood and unity. Moreover, the communist regime left the previous system of ethno-religious segregation in place, further isolating Catholics, Orthodox Muslims, and Jews who continued to be buried in separate locations. Finally, it explicitly politicized burial rites and grave markers, making cemeteries into legitimate spaces of political discourse. As a result, by the time Yugoslavia disintegrated in the early 1990s, dead bodies and cemeteries had become a concerted weapon of war in the ongoing ethnic conflict. Ultimately, then, this timely study reveals for the first time the extent to which the communist regime not only failed to create their own communities of the dead but also further divided and alienated living communities in Yugoslavia.

Discourse in Ritual Studies Hans Schilderman, 2007-04-30 *Discourse in Ritual Studies* invites you to enter a conversation on the topic of liturgy from the perspective of ritual studies. Since liturgical topics are not among the most frequently addressed issues in ritual studies, this volume supplies a need for studies of public worship that take into account the multidisciplinary and innovative research in ritual studies while dealing with basic issues of religious studies and theology. The contributing authors share an action-oriented and empirical interest in ritual studies while not losing sight of perennial and normative questions that characterize the study of liturgy. Thus, a valuable discourse unfolds that opens up new opportunities for worship research in ritual studies. Contributors are Johannes van der Ven, Ronald Grimes, Chris Hermans, Jacques Janssen, Jean Pierre Wils, Georg Essen, Aad de Jong, Thomas Quartier, Remco Robinson, Lieve Gommers, Irene Houwer, and Hans Schilderman.

Developmental Disabilities and Sacramental Access Edward Foley, 2020-08-31 Is a developmental disability an appropriate reason to bar a baptized person from the sacraments? This is the disturbing question that generated this book. The pastoral reality is that Roman Catholics with developmental disabilities are often barred from sacraments. Sometimes they are subject to discrimination or face unusual obstacles in the sacramental life of the Church. This volume, collaboratively written by pastoral theologians from the Catholic Theological Union and the Special Religious Education Office of the Archdiocese of Chicago, addresses these issues. Punctuated with true stories of shame and

triumph this volume grapples with real issues that daily confront Catholics with developmental disabilities With a breadth of scholarship that ranges from biblical perspectives to ethical and canonical issues the authors demonstrate how people with developmental disabilities need to be embraced by the Church and its sacraments for they teach us something central about sacramental encounters
