Re: Brand X, 18.6 cu ft. Bottom Mount Fridge Serial Number 12345

Dear Sir or Madam,

I am writing to seek your help in fixing a problem. On Monday, May 1, 2012 I purchased the above fridge from your Some Street location. John Doe was my sales representative.

As you can see from the attached bill of sale, I had purchased the fridge in stainless steel, which was more expensive than the black model. However, the fridge delivered on May 3rd to our home was black.

I informed the delivery person of the problem, however, he said that he could not help me with this. I called John Doe on May 4th, and he said that we received the right fridge. I indicated that this is not acceptable, and asked to speak to a manager. He said that she was busy at the moment but would phone me back. No one phoned back.

I understand that mistakes do happen, and I look forward to a quick resolution to this situation. Please telephone me to make arrangements for the delivery of the stainless steel fridge we have purchased, and to have the black model removed. If for some reason this fridge is not available, I will accept a full refund.

I have been a customer of ABC Company for many years, and I hope to have this resolved so that I can continue to shop in your store.

Please call me at 555-1234 as soon as possible to make the arrangements.

Sincerely,

Jane Customer

Museums as Agents of Change Mike Murawski, 2021-04-26 Museums everywhere have the potential to serve as agents of change bringing people together contributing to local communities and changing people's lives So how can we as individuals radically expand the work of museums to live up to this potential How can we more fiercely recognize the meaningful work that museums are doing to enact change around the relevant issues in our communities How can we work together to build a stronger culture of equity and care within museums Questions like these are increasingly vital for all museum professionals to consider no matter what your role is within your institution They are also important questions for all of us to be thinking about more deeply as citizens and community members This book is about the work we need to do to become changemakers and demand that that our museums take action toward positive social change and bring people together into a more just equitable compassionate and connected society It is a journey toward tapping the energies within all of us to make change happen and proactively shape a new future

Ethical Decision Making for the 21st Century Counselor Donna S. Sheperis, Stacy L. Henning, Michael M. Kocet, 2015-09-16 Ethical practice is an essential aspect of counselor training In order for counselors to competently work with clients they must be well versed in ethical codes ethical decision making and legal issues impacting the profession Ethical Decision Making for the 21st Century Counselor provides the fundamentals of ethical practice with emphasis on

ethical decision making and is structured to facilitate the development of these skills and understanding and applying them. Individuals will be able to incorporate ethical practice into their understanding of the counseling process and integrate ethical decision making models into their counseling practice. This unique approach differs from existing texts because of its strong emphasis on practical decision making and focus on understanding the process of applying a standard ethical decision model to any ethical scenario. Students build a foundation in how to evaluate an ethical situation and feel confident that they have applied a set of decision models to reach the best decision. **Ethical Decision Making for the 21st Century Counselor** is part of the SAGE Counseling and Professional Identity Series which targets specific competencies identified by CACREP Council for Accreditation of Counseling and Related Programs.

Principles and Practice of Criminalistics Keith Inman, Norah Rudin, 2000-08-29 Expanding on ideas proposed by leading thinkers throughout the history of forensic science, **Principles and Practice of Criminalistics: The Profession of Forensic Science** outlines a logical framework for the examination of physical evidence in a criminalistics laboratory. The book reexamines prevailing criminalistics concepts in light of both technical and scientific advances. **Accounting Ethics** Ronald F. Duska, Brenda Shay Duska, Kenneth Wm. Kury, 2018-11-28 A trusted resource on the complex ethical questions that define the accounting profession, **An Accountant's Practice** depends on making difficult decisions. To achieve the best results, individual accountants and accounting firms need a clear understanding of the ethical duties and decision making involved in the four major functions of modern accounting: auditing, management accounting, tax accounting, and consulting, as well as a strong sense of ethical conduct to guide the certification and validation of reliable financial records. Now in its third edition, **Accounting Ethics** is a thorough and engaging exploration of the ethical issues that accountants encounter in their professional lives. Since the publication of the first edition in 2002, **Accounting Ethics** has become an indispensable resource for accounting courses and certification programs worldwide, known for its focus on real world application, practical advice, reader friendly guidance, and its insight into the effects of global change on the profession. Together with coverage of the contemporary regulatory environment including the Sarbanes Oxley Act, the Public Company Accounting Oversight Board, and the Dodd Frank Wall Street Reform and Consumer Protection Act, this revised edition features expanded pedagogical resources such as new end of chapter case studies and discussion questions, and includes the updated AICPA Code of Conduct. Concise and dependable, **Accounting Ethics** sustains its reputation as an authoritative resource for practicing accountants, new professionals, students of accounting, and those who are considering the profession.
