Apocalypse and Millennium Kenneth G. C. Newport, 2000-08-10 Apocalypse and Millennium argues that far from being a random sequence of bizarre statements millennial schemes including the setting of dates for the second coming of Christ are more often characterised by highly complex and internally consistent interpretations of scripture Such interpretations do not always result in positive outcomes As an example the work of David Koresh is examined at length Koresh styled by some the Wacko from Waco clearly had views which some would find odd However his interpretation of scripture did not lack system or context and to see him in that light is to begin to understand why his message had appeal particularly to those of the Seventh day Adventist tradition The final three chapters in this book outline Koresh s thinking on end time events and trace the line of his interpretative tradition from nineteenth century Millerism through Seventh day Adventism and

Davidianism which began in 1929 BOOK JACKET **The Seventh-Day Adventist Bible Commentary** Francis David Nichol, 1953 Review and Herald , 1966 *The Twenty-eight Fundamentals* Russell R. Standish, Colin D. Standish, 2005

Yee, Cynthia Briggs Kittredge, David A. Sanchez, Hugh R. Page Jr., Margaret Aymer, Matthew J. M. Coomber, 2015-06-02 The Fortress Commentary on the Bible The Old Testament and Apocrypha and Fortress Commentary on the Bible The New Testament present a balanced synthesis of current scholarship on the Bible enabling readers to interpret scripture for a complex and pluralistic world Introductory articles in each volume discuss the dramatic challenges that have shaped contemporary interpretation of the Bible Commentary articles set each book of the Old and New Testaments and the Apocrypha in its historical and cultural context discuss the themes in each book that have proven most important for the Christian interpretive tradition and introduce the most pressing questions facing the responsible use of the Bible today The writers are renowned authorities in the historical interpretation of the Old and New Testaments sensitive to theological and cultural issues arising in our encounter with the text richly diverse in social locations and vantage points representing a broad array of theological commitment Protestants Catholics Jews and others and alive to the ethical consequences of interpretation today A team of six scholar editors and seventy contributors provides clear and concise commentary on key sense units in each book of the Old Testament Apocrypha and New Testament Each unit is explored through the lenses of three levels of commentary based on these critical questions The result is a commentary that is comprehensive and useful for gaining insights on the texts for

preaching teaching and research In addition to the commentary essays on each book the volumes also contain major essays that introduce each section of Scripture and explore critical questions as well as up to date and comprehensive bibliographies for each book and essay *Subject Guide to Books in Print* ,1997 **Spectrum** ,2004 *For the Sake of the Gospel* Desmond Ford,Gillian Ford,2008 Nearly thirty years ago the Seventh day Adventist church defrocked Dr Desmond Ford for publicly challenging the denomination s prophetic views At the same time and on the same basis many other ministers also lost their positions Ford had been a top Adventist scholar who had taught ministerial students and future teachers in Adventism s tertiary institutions in Australia and the U S What led him to speak out and is the debate still current today What were the issues and who were the parties involved Why was it important then Why does it matter now This book answers all these questions and shows that the key to prophetic interpretation is Christ and his gospel not humanly devised calculations hidden in musty history books Christ clearly teaches it is not for us to know the times and seasons yet official Adventism continues to teach prophetic timelines that are based on faulty premises The Adventist teaching of the Investigative Judgment which supposedly began in 1844 mutes the New Testament gospel and most Adventist scholars know this It is time for official Adventism to renounce their errors and become fully Christian in their doctrinal teachings
