Incidental Music, Part 3 John Eccles, 2023 John Eccles's active theatrical career spanned a period of about sixteen years though he continued to compose occasionally for the theater after his semi retirement in 1707 During his career he wrote incidental music for more than seventy plays writing songs that fit perfectly within their dramatic contexts and that offered carefully tailored vehicles for his singers talents while remaining highly accessible in tone This edition includes music composed by Eccles for plays beginning with the letters R W along with secular songs and catches by Eccles that were not associated with plays These plays were fundamentally collaborative ventures and multiple composers often supplied the music thus this edition includes all the known songs and instrumental items for each play Plot summaries of the plays are given along with relevant dialogue cues and the songs are given in the order in which they appear in the drama when known

Longing Justin David, 2018-01-03 Longing is a universal human experience born of the inevitable gulf between dream and reality what we need and what we have While the experience of longing may arise from loss or the awareness of a void in one's life it may also become a powerful engine of spiritual growth prompting one to draw closer to the hidden yet present Other Across the range of Jewish teachings longing takes center stage in one's spiritual life From the Bible through current frontiers in Jewish belief and practice God is both known and unknown immediate and remote present and in constant eclipse This book captures the sense of longing in Jewish tradition by creating a dialogue between the author's own struggles with an estranged father and a wide range of traditional and contemporary sources Focusing on the story of the Hebrew prophet Elisha the book takes the reader through a journey of abandonment creative destruction and ultimately repair and healing engaging with currents in biblical theology rabbinic thought Kabbalah and contemporary Jewish philosophy Written in a familiar yet probing style this book is an accessible introduction to Jewish thought and spirituality as well as a thoughtful companion for more experienced students

Dimensions of Storytelling in German Literature and Beyond Jennifer William, Kristy R. Boney, 2018 Explores the storytelling of Anna Seghers and other 20th century writers who faced the tensions between aesthetics and politically conscious writing between conformity and resistance While Walter Benjamin in his famous essay *The Storyteller* 1936 lamented the decline of the storytelling tradition in the age of the modernist novel Anna Seghers and other twentieth century German writers went on to chronicle the century

s darkest days in creative and compelling ways This volume is at its heart a tribute to Germanist Helen Fehervary whose work particularly on the prose of Anna Seghers continues to inspire scholars who examine narration and storytelling The subtitle quotation for once telling it all from the beginning is a translation of the phrase einmal alles von Anfang an erz hlen from Seghers s exile novel Transit in which she told notonly her own story but that of countless others who faced existential challenges in their attempts to escape the Nazi regime This volume examines a number of such writers exploring the tensions between aesthetics and politically conscious writing as well as individual struggles involving conformity and resistance in a totalitarian state Contributors Peter Beicken Hunter Bivens Kristy R Boney Ute Brandes Stephen Brockmann Sylvia Fischer Jost Hermand Kristen Hetrick Robert C Holub Weijia Li Elizabeth Loentz Michaela Peroutkov Benjamin Robinson Christiane Zehl Romero Marc Silberman Andy Spencer Luke Springman Amy Kepple Strawser Jennifer Marston William Kristy R Boney is Associate Professor of German at the University of Central Missouri Jennifer Marston William is Professor of German and Head of the School of Languages and Cultures at Purdue University Catalog of Copyright Entries ,1935 **Sylvia's Lovers; In Three Volumes** Elizabeth Cleghorn Gaskell,2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Congressional Record United States.
