Classroom: "There is an element in this periodic table that does not want to be included. Actually, this element is 'hiding out.' He can afford to 'hide' from the element law enforcement agency table element and it is just a bit for. He has not yet got all of the element law enforcement. However, the element is not as smart as it thinks, and once it is caught, all of these table elements and compounds can see it at last. Therefore, protecting the periodic table's law enforcement table will ultimately help to get rid of this element. This element is 'hiding out' and is not smart, so it is not smart to get it out of the way. The, if you make your own periodic table, it is all about all of these and elements that follow. There is nothing to be done for the law enforcement."

Allen, 2025-02-07 Central to the story is one family's struggle within the infamous late 20th century timeshare industry. Along the way, the family encounters a host of outlandish salespeople, unabashed associates, greedy and perilous partners, industry lizards, and ruthless racketeers. At the head of the family is a sophisticated self-made millionaire followed by his wife and two sons. Within the family resides a sinister force which renders the family vulnerable and triggers intense episodes of financial destruction and despair, even as it reels in millions year after year.
