

A person who has had a great influence in my life

Essay Example

We all have ups and downs in our life. However, there is always a person who will inspire and influence us in our life. Since the day I came to this world, I have met a lot of people but I will always remember there is a person who has had a great influence in my life, my mother.

My mother actually is an ordinary woman with curly medium length brown hair. She has a medium height and average weight which made her look tall and thin. Year by year, she is getting older. Within these years, I can clearly see grey hair on her head.

As she is getting older, she is also getting weaker as she works seven days without rest in a month. Whenever I see her pale face, I will always recall what had happened on that day as if it was yesterday... That incident happened when I was 15. Many people say that teenagers during this period rebel and are very naughty.

I admitted that I was also one of them. Whenever I faced problems or felt stressful, I would try to release it in school. Day by day, my behavior changed to an undisciplined person.

In school, I was a lazy student and did not do my homework or any task that is even by teachers. I thought all those tasks are useless for me and it was just wasting my time.

As I went to tuition, I felt that was enough for me to face my exam. Therefore, I will always sleep in the class while teachers were teaching. Not only that, I was also a selfish person. I would not share my knowledge with others because I was scared as they would get better results than me in exams. However, my mother inspired me after my MR. examination. On a fine day, I went to school to get my MR. result.

I was full with confidence that I could get straight A's in this exam.

Things did not go well as I expected. I only managed to get C's in my exam. After that, I was down in the dumps. When I went back home, I saw my mother preparing our breakfast as it was only 10 in the morning. At first she decided to have breakfast with me, but she did not call me after seeing my disappointed face. After a while, she came into my room and started to comfort me.

She told me life is like a movie. There will always be some obstacles and failures and we have to overcome them.
