[A Family Affair Shorts Boxed Set](#) Mary Campisi, 2018-07-03 The story before the story. What happened before *A Family Affair* began. Bestselling author Mary Campisi answers this question in her new Park Bench series. These short stories make the perfect park bench read and are named after her signature park bench covers.

Book One: A Family Affair Shorts: Destiny A chance meeting between Charles Blacksworth and Miriam Desantro in a grocery store becomes the key to the *Truth in Lies* series. **Book Two: A Family Affair Shorts: Regret** Harry Blacksworth is filled with angst and guilt after sleeping with his brother's wife. This affair fractures Charles and Gloria's relationship. **Book Three: A Family Affair Shorts: Love** Charles suffers confusion and indecision as he breaks off his relationship with Miriam. [A Family Affair: Bonus Scenes](#) Mary Campisi, 2019-02-16 I love reading bonus scenes or watching bonus clips on television. If someone told me I could read about or watch Mr. Darcy and Elizabeth Bennet get married, I would be beyond excited. Imagination is great, but there are times when I don't want to imagine or guess. I want to know. I even want to know when storylines change and what might have been. That's why I'm providing bonus scenes and extras from several of the *A Family Affair* books. I loved writing these scenes, and now I want to share them with you.

Enjoy Nate and Christine's wedding. *A Family Affair: Wouldn't you like to know what Nate Desantro was thinking right before he married Christine?* For a man of few words, there was a lot going on in his head. And how about discovering Harry Blacksworth's thoughts as he prepares to give Christine away? That's definitely one you won't want to miss. Lily is still one of my favorites, and she'll warm your heart with her innocent and yet spot-on observations about the wedding, life, and love in Magdalena. *Always a Heartbeat Away: A Family Affair Summer* I started *A Family Affair Summer* several times as I tried to get a feel for Tess and her backstory. I knew it would involve heartache, just as I knew that deep down, she still loved Cash. But the rest, I wanted to find a way to take her as far from the life she thought she'd have as possible. Initially, that involved a calm, quiet man and a dog named Henry. That storyline changed, and I decided

not to use it but it's a great bonus scene to let you see the possibilities maybe even wonder how the story might have been different Who is Sasha Rishkov A Family Affair The Secret What if Angie Sorrento's father turns up in Magdalena to visit his daughter and risks running into the only woman he's ever loved Angie's mother the one she thought died years ago He'll come so close to discovering the truth The Future Godfather A Family Affair The Wish This is a conversation you won't want to miss Pop tells Harry that when the time comes Harry will be the new Godfather of Magdalena and he'll make a darn good one Of course Harry doesn't agree When Harry meets Stephanie A Family Affair The Gift Harry Blacksworth is nobody's fool and while he might once have been the playboy good for nothing younger brother of Charles he's come into his own as a well respected and generous member of Magdalena's community When Cash and Tess hit a roadblock named Stephanie Richmond Harry's not going to let anything jeopardize their happiness Don't miss When Harry Meets Stephanie and read firsthand how he deals with the woman who thinks she can leverage a child to gain security The Real Stephanie Richmond A Family Affair The Gift And because first drafts and ideas change I'm including a scene I once considered using for the storyline In this version Stephanie isn't as soft and guileless as she appears in the final version of the book but straightforward and intent on letting Cash know exactly what she wants While I like the final outcome this is still an interesting read and portrays Stephanie Richmond's true personality Who's in the Cabin A Family Affair The Cabin Nate and Christine Desantro head to the cabin one last time before they sell it and discover an uninvited guest Elissa Cerdi has snuck away to the Blacksworths cabin for quiet and a chance to consider her future with or without a controlling ex boyfriend Her innocent and trusting ways prevent her from seeing that she's put herself in danger by choosing a secluded cabin Of course Nate and Christine aren't about to risk her safety even if she was Gloria Blacksworth's friend and confidante

That's why I've created special boxed sets that were part of That Second Chance series and the Truth in Lies series. These boxed sets let the reader follow the before and after of select characters as they first appear in That Second Chance series and later in the fictional town of my bestselling Truth in Lies series. Boxed Set Four contains Paradise Found and A Family Affair The Wish. I invite you to follow their journey. Paradise Found: How does one see truly with the heart or with the eyes? Matt Brandon has it all: wealth, power, looks, and talent. Women want him; men want to be like him. When a freak ski accident strips him of one of life's most basic needs, his sight, he struggles to accept the possibility that his blindness may be permanent. Enter psychologist Sara Hamilton, a woman who has known her own share of grief and loss and may just be the one person who can help Matt redefine his new world. Sara is every woman's woman; she's not a toothpick or a Cosmo girl; has never been prom queen or dated the blond-haired god with the big white teeth. She's honest and decent and real and lives on the perimeter, applauding her patients' successes, nursing them through their failures, but never acknowledging or accepting what she lacks in her own life. She's loved and lost once and has been so emotionally scarred she's not willing to risk those feelings again. Of course she's never met a man like Matt Brandon. As Matt and Sara explore the delicate balance between blind trust and hope, they will discover that sometimes you have to lose everything to find what you are truly looking for. A Family Affair The Wish: Bree Kinkaid is finally going to get her happily ever after with Adam Brandon from Paradise Found. That Second Chance series, but it's not going to be quick or easy. You won't want to miss the fireworks as one of Magdalena's favorites meets Mr. West Coast. Should I mention he's handsome, intelligent, wealthy, and an all-around good guy? Oh, but he has a broken heart, forgot about that. Guess that makes him a wounded hero in need of a second chance, and we all know Magdalena's just the place for second chances. And I know many of you have no time or patience for the bad girl of Magdalena: Natalie Servetti. She's done her share of wrong and worse than wrong, including almost breaking up Nate and Christine Desantro. But those of you who read A Family Affair The Secret know she's trying to right her past misdeeds and now she's met a man who might just give her a chance at happily ever after. Will her past destroy that chance, or will love indeed conquer all? Small Town Perfect Series: Boxed Set 1 includes Pulling Home and A Family Affair The Promise. Boxed Set 2 includes The Way They Were and A Family Affair The Secret. Boxed Set 3 includes Simple Riches and A Family Affair Winter. Boxed Set 4 includes Paradise Found and A Family Affair The Wish. Boxed Set 5 includes Not Your Everyday Housewife and A Family Affair The Gift. Boxed Set 6 includes The Butterfly Garden and A Family Affair The Return.
