Pierre-Auguste Renoir Sa Vie Et Son Oeuvre:

Pierre-Auguste Renoir (1841-1919) Ambroise Vollard, 2015-01-10 RENOIR par Ambroise Vollard est un texte de référence sur l'artiste par un contemporain engagé dans l'aventure de la peinture de son époque. Ambroise Vollard 1866-1939 est d'abord un marchand d'art précurseur et célèbre mais il est aussi un crivain constamment redit depuis 1920. Il a suivi l'artiste comme marchand et comme confident de 1894 à sa mort en 1919. Il a noté ses conversations avec Renoir et a écrit ensuite une biographie qui a fait date. Rédigé le plus souvent sous forme de dialogue, son texte est particulièrement vivant et intéressant. L'édition enrichie de VisiMuZ rajoute au texte intégral de la biographie plus de 200 photos de tableaux agrandissables en plein écran par simple tap. Pour chacune, les dimensions, la localisation, musée, collection sont précisées. Cette édition est donc la fois un livre de la catégorie beaux-arts et une biographie de référence. Le lecteur voit apparaître les différents tableaux au fur et mesure de sa lecture, peut les consulter en plein écran et les agrandir plus encore pour regarder un détail. Outre les illustrations, ces textes de référence sont complétés par d'autres anecdotes issues des biographies de Georges Rivière et Jean Renoir et des commentaires VisiMuZ. En replaçant les tableaux dans le contexte global de l'œuvre de l'artiste, en faisant comprendre au lecteur l'évolution artistique du peintre, VisiMuZ rend sa biographie plus attrayante et pédagogique. Pour un livre d'art, voici au moins 5 bonnes raisons de préférer un livre numérique au papier : disponibilité permanente où que vous soyez, avec un encombrement minimal, adaptation de la taille des caractères, la vue de chacun, agrandissement des photos pour mise en valeur des détails, création d'une photothèque personnelle avec les photos de l'ebook, tableaux mis en valeur encadrés par la tablette.

La vie & l'œuvre de Pierre-Auguste Renoir Ambroise Vollard, 1919 *Renoir: An Intimate Biography* Barbara Ehrlich White, 2017-11-07 A major new biography of this enduringly popular artist by the world's foremost scholar of his life and work. Expertly researched and beautifully written by the world's leading authority on Auguste Renoir's life and work, Renoir fully reveals this most intriguing of Impressionist artists. The narrative is interspersed with more than 1100 extracts from letters by to and about Renoir, 452 of which come from unpublished letters. Renoir became hugely popular despite great obstacles: thirty years of poverty followed by thirty years of progressive paralysis of his fingers. Despite these hardships, much of his work is optimistic, even joyful. Close friends who contributed money, contacts and companionship enabled him to overcome these challenges to create more than 4000 paintings. Renoir had intimate relationships with fellow artists Caillebotte, Cézanne, Monet and Morisot, with his dealers Durand-Ruel, Bernheim and Vollard, and with his models Lise, Aline, Gabrielle and Dédé. Barbara Ehrlich White's lifetime of research informs this fascinating biography that challenges common misconceptions surrounding Renoir's reputation. Since 1961, White has studied more than 3000 letters relating to Renoir and gained unique insight into his personality and character. Renoir provides an unparalleled and intimate portrait of this complex artist through images of his own iconic paintings, his own words and the words of his contemporaries. Barbara White is a biographer of courage, seriousness and unrelenting honesty. She has read and dissected about 3000 letters about

Renoir written by him his friends his family as well as the newspapers of the day Practically every member of the Renoir family has entrusted their personal documents to her a pledge of trust totally deserved Whenever I am asked a question about Auguste I write to Barbara to ask her opinion or call on her knowledge since she has become an indisputable reference for me She is always careful and verifies facts and contexts by every route possible The Renoir family and Auguste himself are very lucky that Barbara is so passionate about her subject and I feel personally lucky to know her I thank her from the bottom of my heart for this work of a lifetime a magnificent success I am very pleased that her book has been edited by the quality editors at Thames Hudson as it will remain a point of reference for many generations to come Sophie Renoir great granddaughter of Auguste Renoir granddaughter of his eldest son Pierre and daughter of Renoir s grandson Claude Renoir Jr

Colours of Impressionism: Masterpieces from the Musée d'Orsay Paul Perrin, Marine Kisiel, 2018-01-31 One of the great innovations of the Impressionists was their radical use of colour their application of strokes of complementary or contrasting hues captured the shifting effects of light and foregrounded the nature of vision Using colour as the lens through which to magnify the movement s intricacies this catalogue sweeps us from Manet s rich blacks through green and blue landscapes of Monet and C zanne to the sensuous pinks of Renoir Along this journey scientific discoveries and emerging definitions of modernity are explored illuminating the profound innovations of the Impressionists and the shifting preconceptions of their art
