

Dear Senior Parents,

Happy New Year and what a special one it is for the parents and students in the graduating Class of 2013! We are entering the 6th week of the 2nd and last semester of your student's high school experience, which puts us closer to the time when they prepare to don caps and gowns and walk across the stage to receive their diplomas on Saturday, June 1, 2013.

For the second straight year, Commencement will be held at the beautiful Great Hall of the Wharton Center on the Michigan State University campus on Saturday evening, June 1, 2013, at 6 pm. While the Great Hall is one of Michigan State University's most appealing venues, and offers the much needed comforts of air conditioning, it has limited seating. Therefore, it will be necessary to issue tickets for admission to Commencement. Everyone attending the ceremony will be required to have a ticket.

In November we mailed out a letter asking that you turn in your request for graduation tickets and that we may not be able to guarantee the number of tickets requested. I am happy to report that we have received ticket requests from 98% of our parents in the Class of 2013. Tickets will be available for parents to pick up during Spring Parent Conferences, which are Tuesday, March 26 and Wednesday, March 27, from 5pm – 8 pm in the cafeteria. Tickets must be picked up and signed out by parents and will not under any circumstances be given to students.

If you might have questions and/or concerns related to graduation tickets, please direct them to me at tthomas@waverlyk12.net or (517) 323-3831. Congratulations in advance to the parents of the outstanding Class of 2013!

Sincerely,

Tracy Thomas
Deputy Principal

Latino High School Graduation Harriett D. Romo, Toni Falbo, 1996-03 Romo and Falbo followed the school progress of 100 at-risk students in Austin, Texas, beginning in 1989 when the students were fifteen years old. Drawing on extensive interviews with the students and their parents, school records, and fieldwork in the students' schools and communities, the authors identify both the obstacles that cause many students to drop out and the successful strategies that other students and their parents pursue to ensure high school graduation. Detailed case studies allow students and parents to describe their experiences with the public schools in their own words.

Combined Parent-Child Cognitive Behavioral Therapy Melissa K. Runyon, Esther Deblinger, 2013-09-19 Violence is an epidemic that negatively impacts children across their lifespan. Reports indicate 2.1 million youth have experienced physical abuse during their lifetimes, disrupting the healthy development of children from the toddler years through adolescence, and most cases involve parents. Some parents lack the skills to effectively parent and use physical discipline as a strategy to control their children's problem behaviors. They may use increasing force if children continue to be noncompliant, which places many children at risk for harm. Combined Parent-Child Cognitive Behavioral Therapy (CPC CBT), created by Melissa K. Runyon and Esther Deblinger and outlined in this guide, provides an evidence-based intervention aimed at empowering families to develop optimistic outlooks on parenting and peaceful home environments and to decrease stress experienced both by parents and children. CPC CBT incorporates elements from empirically supported CBT models for families who have experienced physical abuse, sexual abuse, and domestic violence. Additionally, CPC CBT draws on concepts from developmental theory, learning theory, family systems theory, and motivational interviewing. The target population includes children ages 3-17 years and their parents/caregivers who have already engaged in or are at risk for physically abusive behavior towards their children. This manual is for clinicians, clinical supervisors, administrators, and others who are considering the implementation of CPC CBT in their agencies with families at risk for child physical abuse.
