Dear Sister in Christ,

I am writing this as a letter to you personally, Diane, my dear sister in Christ, so that if you become anxious about the future, or you need encouragement about what is ahead, you can read it and hopefully hear God speak to your heart.

I am writing this because I want to remind you of the great future God has for you. I know this because He said so. He says you have not seen, nor heard, nor even imagined anything as great as what He has prepared for you (1 Corinthians 2:9).

You have no idea how great your future is. He says that what He has for you is so great that if you truly understood it, you would feel "that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed" in you (Revelation 8:18). That means whatever you envision for your life right now is already too small.

Don't judge your future by what you read in the newspaper or the words someone spoke over you one time. Your future is in God's hands, my dear sister in Christ.

Don't become discouraged if things don't happen as fast as you would like them to. They never do. Don't be concerned if you are not seeing all that you want in response to your prayers. You will.
