Dear Lyda Fadel,

I hope this letter finds you well. I wanted to take a moment to share my thoughts on how much I've appreciated your guidance and leadership this season. Your dedication to our team's success and the passion you bring to each practice has truly inspired me as a player.

Your ability to motivate and push us beyond our limits is something I greatly admire.

Coaching Michael D. Sabock, Ralph J. Sabock, 2011-03-16 *Coaching: A Realistic Perspective* is the ideal textbook for anyone entering the coaching profession of any sport. More than detailing the duties and tasks of a coach, this book explores the often overlooked issues and responsibilities that go hand in hand with coaching relationships among players, parents, and fans; ethical and moral issues and controversies; off-season housekeeping duties and concerns particular to head and assistant coaches; as well as single and married coaches. Similar to its previous edition, the tenth edition includes end-of-chapter questions to help inspire debate and discussion of the issues concerning coaches. This edition has been updated to reflect the influence the Internet has on the coaching profession, especially with recruitment. The changes in academic standards for students are also examined along with the ethical issues that are in the forefront of the news today. The overlapping of sports programs, a major concern of coaches, as well as health issues surrounding athletes today, have been updated and expanded.

Coaching Ralph J. Sabock, Michael D. Sabock, 2008 *Coaching: A Realistic Perspective* is the ideal textbook for anyone who is preparing to coach athletics. All aspects of the profession are addressed in a clear and straightforward manner, presented with advice gained from decades of experience. The expanded and updated ninth edition examines the qualities of successful coaches, presenting tools for self-evaluation, recruiting, off-season planning, player and parent expectations, coaches' potential problem areas, and the balance between a coach's work life and personal and family life, a topic often overlooked in other textbooks.

Pathway to Excellence Dennis M. Docheff, 2011-03-25 The purpose of this book is to provide athletic coaches with simple methods to enhance their coaching technique. Coaching is teaching. Therefore, coaches must look at their teaching effectiveness in order to become better coaches. In addition, the athletic arena provides a wonderful opportunity for a Christian witness. Often, coaches find it difficult to form a marriage between their coaching and a Christian lifestyle. This book intends to meld the two.

together providing clear effective teacher education and biblical advice to Christian coaches The book also provides selected scriptures from Gods Word Can a Christian coach really make a difference How can one Christian coach save the world of sport Well first there is more than one Christian coach out there Second if there was only one Christian coach willing to go to battle with Christ they would fight and win One coach plus Jesus equals a majority Recall that it appeared as though David didnt stand a chance when he went to fight Goliath David was not alone David knew that God would be with him Was he afraid Maybe but his faith in God was greater than his fear Hopefully this book motivates coaches to allow their faith in Christ to shine through their coaching style and behavior
