step instructions designed to help you master the Galaxy S8's most important features quickly. If you have used a previous generation of the Galaxy such as the infamous S7, S6, S5, or other models, then this guide will show you exactly what has changed. If on the other hand you have never used a Galaxy device before, this guide will help you to determine if the Galaxy S8 is the right model of smart phone for you. Previous use of a Samsung smart phone device is helpful but certainly not required. This book was written to make you familiar with the different features and functions of the Samsung galaxy S8 and S8 edge. As you already know that in this world everyone strives to have the best phone than the other. Everyone wants to have the latest model of the smartphone be it a Samsung, Apple, or any other brand of cell phone. Sometimes people might find it difficult to understand the latest models of the cell phones that they have bought, and this is why this book has been written. The purpose of this book was to let everyone use a cell phone with the same efficacy as the rest. It makes it easier for you to understand your smartphone as it has all your questions and queries answered at one place. This book has touched every single portion and topic of your new Samsung Galaxy S8. It has described every option, every feature, and every function that will be available on your phone. And to make it further easier for our readers, this book was divided into separate chapters for people who want to know about their Samsung galaxy S8 and Samsung galaxy S8 edge.
