from his idiosyncratic upbringing to his unexpected career as the director behind such huge film franchises as The Addams
Family and Men in Black Barry Sonnenfeld's philosophy is Regret the Past Fear the Present Dread the Future Told in his
unmistakable voice Barry Sonnenfeld Call Your Mother is a laugh out loud memoir about coming of age Constantly
threatened with suicide by his over protective mother disillusioned by the father he worshiped and abused by a demonic
relative Sonnenfeld somehow went on to become one of Hollywood's most successful producers and directors Written with
poignant insight and real life irony the book follows Sonnenfeld from childhood as a French horn player through graduate
film school at NYU where he developed his talent for cinematography His first job after graduating was shooting nine feature
length pornos in nine days From that humble entrance he went on to form a friendship with the Coen Brothers launching his
career shooting their first three films Though Sonnenfeld had no ambition to direct Scott Rudin convinced him to be the
director of The Addams Family It was a successful career move He went on to direct many more films and television shows
Will Smith once joked that he wanted to take Sonnenfeld to Philadelphia public schools and say If this guy could end up as a
successful film director on big budget films anyone can This book is a fascinating and hilarious roadmap for anyone who
