Littell's Living Age, 1867 **Bookfellow**, 1913 Coalition Diaries, 2012-2015 David Laws, 2017-09-14 Acclaimed as one of the sharpest political intellects of his generation David Laws saw his ministerial career nosedive before it had begun when after only seventeen days as Chief Secretary to the Treasury he was forced to resign when unintended breaches of parliamentary expenses rules came to light You can't keep a good man down however and he returned to government where he was also responsible for implementation of the coalition agreement and planning the Lib Dems strategy in the run up to the 2015 election David began writing a diary in March 2012 and continued writing it throughout his ministerial career and up to the 2015 election which devastated the Liberal Democrats in Parliament Frank acerbic sometimes shocking and often funny Coalition Diaries chronicles the historic Liberal Democrat Conservative coalition government offering extraordinary pen portraits of all the personalities involved some of whom were cast aside at the election or put to the knife after Brexit while others are active in today's government Samuel Beckett's Critical Aesthetics Tim Lawrence, 2018-04-19 This book considers how Samuel Beckett's critical essays dialogues and reflections drew together longstanding philosophical discourses about the nature of representation and fostered crucial yet overlooked connections between these discourses and his fiction and poetry It also pays attention to Beckett's writing for little magazines in France from the 1930s to the 1950s before going on to consider how the style of Beckett's late prose recalls and develops figures and themes in his critical writing By providing a long overdue assessment of Beckett's work as a critic this study shows how Beckett developed a new aesthetic in knowing dialogue with ideas including phenomenology Kandinsky's theories of abstraction and avant garde movements such as Surrealism This book will be illuminating for students and researchers interested not just in Beckett but in literary modernism the avant garde European visual culture and philosophy *In the Name of God* Edmondo F. Lupieri, 2011-12-20 From the conquistadores in Central and South America to the Jesuits in China Edmondo Lupieri traces the consequences of European war and conquest for global cultural identities from the age of exploration to the present In the Name of God exposes the economic political and religious justifications and motivations behind the European conquests and uncovers some of the historical roots of genocide racism and just war Lupieri's animated and comprehensive historical sociological study masterfully weaves together a tapestry of ideas individuals and people groups linking them throughout to present day realities in often surprising ways Unflinchingly critical Lupieri describes how European indigenous encounters have shaped Christianity and the world irrevocably The Living Age, 1867 *Pour Me, a Life* A.A. Gill, 2016-09-27 Serialized in Esquire A.A. Gill's *Pour Me a Life* is a riveting meditation on the author's alcoholism seen through the lens of the memories that remain and the transformative moments that saved him from a lifelong addiction and early death *Pour Me a Life* is an unapologetically honest raw and often harrowing account of the life of a man who up until now we only thought we knew Here is A.A. Gill at his best A real life Bright Lights Big City Eric Ripert chef and co owner of Le Bernardin and

author of the New York Times bestseller *32 Yolks* Best known for his hysterically funny and often scathing restaurant reviews for the London Sunday Times *A A Gill's Pour Me a Life* is a riveting memoir of the author's alcoholism seen through the lens of the memories that remain and the transformative moments in art food religion and family that saved him from a lifelong addiction and early death By his early twenties at London's prestigious Saint Martin's art school journalist Adrian Gill was entrenched in alcoholism He writes from the handful of memories that remain of drunken conquests with anonymous women of waking to morbid hallucinations of emptying jacket pockets that were like tiny crime scenes helping him puzzle his whereabouts back together Through out his recollections Gill traces his childhood his early diagnosis of dyslexia the deep sense of isolation when he was sent to boarding school at age eleven the disappearance of his only brother whom he has not seen for decades When Gill was confronted at age thirty by a doctor who questioned his drinking he answered honestly for the first time not because he was ready to stop but because his body was too damaged to live much longer Gill was admitted to a thirty day rehab center then a rare and revolutionary concept in England and has lived three decades of his life sober Written with clear eyed honesty and empathy *Pour Me a Life* is a haunting account of addiction its exhilarating power and destructive force and is destined to be a classic of its kind *Modernist Fiction and Vagueness* Megan Quigley, 2015-02-02

Modernist Fiction and Vagueness marries the artistic and philosophical versions of vagueness linking the development of literary modernism to changes in philosophy This book argues that the problem of vagueness language's unavoidable imprecision led to transformations in both fiction and philosophy in the early twentieth century Both twentieth century philosophers and their literary counterparts including James Eliot Woolf and Joyce were fascinated by the vagueness of words and the dream of creating a perfectly precise language Building on recent interest in the connections between analytic philosophy pragmatism and modern literature *Modernist Fiction and Vagueness* demonstrates that vagueness should be read not as an artistic problem but as a defining quality of modernist fiction *Embracing the Occupiers* Jeremy S.
