Perfume The Story Of A Murderer:

PERFUME Patrick Suskind, 1986-09-12 The year is 1738 the place Paris A baby is born under a fish monger s bloody table in a marketplace and abandoned Orphaned passed over to the monks as a charity case already there is something in the aura of the tiny infant that is unsettling No one will look after him he is somehow too demanding and even more disturbing something is missing as his wet nurse tries to explain he doesn t smell the way a baby should smell indeed he has no scent at all Slowly as we watch Jean Baptiste Grenouille cling stubbornly to life we begin to realize that a monster is growing before our eyes With mounting unease yet hypnotized we see him explore his powers and their effect on the world around him For this dark and sinister boy who has no smell himself possesses an absolute sense of smell and with it he can read the world to discover the hidden truths that elude ordinary men He can smell the very composition of objects and their history and where they have been he has no need of the light and darkness is not dark to him because nothing can mask the odors of the universe As he leaves childhood behind and comes to understand his terrible uniqueness his obsession becomes the quest to identify and then to isolate the most perfect scent of all the scent of life itself At first he hones his powers learning the ancient arts of perfume making until the exquisite fragrances he creates are the rage of Paris and indeed Europe Then secure in his mastery of these means to an end he withdraws into a strange and agonized solitude waiting dreaming until the morning when he wakes ready to embark on his monstrous quest to find and extract from the most perfect living creatures the most beautiful young virgins in the land that ultimate perfume which alone can make him too fully human As his trail leads him at an ever quickening pace from his savage exile to the heart of the country and then back to Paris we are caught up in a rising storm of terror and mortal sensual conquest until the frenzy of his final triumph explodes in all its horrifying consequences Told with dazzling narrative brilliance and the haunting power of a grown up fairy tale Perfume is one of the most remarkable novels of the last fifty years
