Persona Non Grata Inspector Trotti:

Persona Non Grata Timothy Williams, 2014-12-09 Northern Italy 1985 Commissario Piero Trotti is on the verge of retirement from the police force. He is 56 years old and though he is widely respected for his integrity and work ethic, he is not widely liked. The junior detectives he works with transfer because he is too hard on them. His fellow commissioner is trying to force him out. Even his family has walked out of his life; his adult daughter has moved to Bologna and his wife has left him for New York. All signs are telling Trotti that he needs to make a change. Instead, he digs in his heels. The city is in an uproar after a young girl is attacked in her bed by an intruder. Aided by the one junior officer who still listens to him, a dogged, unflinching female brigadier named Ciuffi, Trotti sets to work trying to figure out the truth. **The Second Day of the**

Renaissance Timothy Williams, 2017 After decades as a commissario in his city on the River Po, Piero Trotti has retired. But his newfound peace is brief. An old friend calls him to Siena to give him urgent news: a known hit man has returned to Italy to kill Trotti. The former inspector must admit that he isn't entirely undeserving, as his mistaken accusations and failed gambles have cost innocent lives in the course of his investigations. Though Trotti carries the burden of these deaths with him each day, someone else has appeared to enact his own long-awaited retribution. Traveling across Italy to escape his pursuer, Trotti revisits his own past and searches for clues to the cold case murder of Valerio Gracchi, a leftist radical who became a national media sensation. But even the right answers may not save Trotti and his loved ones. Big Italy Timothy Williams, 2015-02-10

Northern Italy 1993 After what seems like several lifetimes as a policeman in the Questura, Commissario Trotti is ready for retirement. Soon he'll be able to fulfill his dream of moving to the countryside villa he co-owns with his cousin, where his daily business will be tending to goats and chickens. But despite Trotti's stubbornly old-fashioned investigative methods and his disregard for social niceties, there are several people trying to talk him out of retirement. Trotti's boss offers him a golden opportunity as head of the Questura's new child abuse division. Meanwhile, Fabrizio Bassi, a reckless womanizing private detective who worked under Trotti years ago before being kicked off the force, approaches him for help. Bassi has been investigating the death of a murdered doctor and has a conspiracy theory that extends to the highest reaches of government. Trotti declines, annoyed by the request. But when Bassi is found in a ditch with a bullet in his head, Trotti decides to take on one last murder case after all. **Black August** Timothy Williams, 2015-01-27

Commissario Trotti of Italy's Polizia di Stato is called to the scene of the brutal murder of an old friend, schoolteacher Rosanna Belloni, who has been found bludgeoned in her apartment. Trotti's superiors warn him off the case, but he is determined to hunt down the killer. There are lots of loose ends: Rosanna's sister, a notorious drug addict, is missing. Is a recent unexplained suicide in the River Po connected to the murder? Where does the discovery of a car dredged up from the delta fit in? Faced with a seemingly unsolvable mystery, Trotti must also grapple with obstructive colleagues and problems arising in his private life.
