

I all started when they noticed that the lighting was not all and began to realize they need change.	The first person to tell me about it was my sister who overheard their talking about it.	She described me and really made a large impact on my life.	Nothing was too much for me and I had to make the most of it.	Nothing was too much for me and I had to make the most of it.	Nothing was too much for me and I had to make the most of it.
School was over winter and that's when I found out they had to stop me off and put me up in a hospital room.
