Piece by Piece Lupe Ruiz-Flores, 2023-09-05 During the Great Depression Ernestine Guerrero's family didn't have much. The Mexican American teen was so grateful for the government food aid they received in San Antonio, Texas, that she wanted to personally thank President Roosevelt. But how? After seeing the plans for a very difficult woodworking project, she decided she would make it herself and send it to the president. Piece by piece, that's exactly what she did. And the clock case she built remains on display in the Roosevelt Presidential Library to this day. With stunning illustrations from Anna Lopez Real, this picture book tells the inspiring true story of a girl who proved that if you look closely, treasure can be found in unexpected places.

Piece By Piece Stephanie Shaw, 2017-07-15 Drawing inspiration from the natural world around her, a weaver woman with a magical touch crafts exquisite fabrics. And from the fabric she fashions a wondrous dress with a bodice that sparkles of starlight and lace like the foam of an ocean wave. The weaver envisions the food and clothing she will be able to buy for her children from the sale of the dress. But when she takes the dress to a local shopkeeper, the weaver is told her work is not saleable. And so she starts over again. Harkening back to the magic and lessons learned from classic fairy tales, this imaginative tale reminds readers of all ages of the importance of pursuing one's dreams and following one's heart.

Piece by Piece Elisabeth Staab, ETHAN'S HIT A ROUGH SPOT So I caught my dad in bed with my ex-girlfriend. My best friend cancelled our plans to celebrate my birthday. Decided to drink away the betrayal. Made out with a cardboard cutout of a celebrity in front of my new roommates. Got in a bar fight. Hooked up with that pretty bartender whose sad smile I've secretly been painting pictures of since forever, but she shoved me out the door with hardly a word. Did I mention the tattoo? I don't exactly remember getting. And that's only Saturday. Now I need to pick up the pieces of my messed-up life. LEEANNE'S HAD A TOUGH LIFE What do you do when you've lived in the same small town your whole life and you feel as if you'll always be stuck in the same rut like a piece of busted wagon wheel? Well, maybe you start by hooking up with the first decent guy who walks into your bar. Maybe once you do, it's hard to get him out of your head even though you try. And maybe just maybe you find out he makes you laugh even more than he makes you want to shout his name. If you're me, you don't even know.
