witches Casting a shadow over the land these hunts scarred generations of women for centuries leaving many afraid to acknowledge or nurture their healing powers and intuitive gifts Caught amidst this frenzy three sisters Alexa Iris and Hattie Wardwell fight to keep their coven intact to keep their knowledge of the old ways alive for future generations Despite their vows to only wield their powers for good these sisters find themselves ensnared in the deadly web of accusations and persecution that grips their village As whispers of witchcraft spread like wildfire a rival witch with a vendetta that spans lifetimes aids the Witchfinder General in hunting Alexa and her sisters down As the flames of paranoia rage these sisters face heart wrenching choices while weighing the value of their lives and those they've sworn to protect knowing all can't be saved Set against the backdrop of one of history's darkest chapters Here There Be Witches is a haunting reminder of the generational scars left by this unimaginable injustice and the enduring courage it took to defend one's beliefs and rights to practice their craft in the midst of a wave of mass hysteria that spread throughout the nation tragically wiping out generations of wise women and healers This book is a standalone novel but is also considered a related companion book to the Divining Sisters Series In a sense it is a prequel to the entire series because it follows the past lives of the main characters in that series as they battle the Witchfinder General in the witch trials that take place in England in the 1640s This novel stands as a complete self-contained story For those who feel a connection to these characters after reading this story know that their future incarnations are explored in the Divining Sisters Series where their spirits endure across time

Content Warning This novel contains darker themes and depictions related to the witch trials including persecution torture sexual assault body horror and graphic resulting deaths [Freedom From Isolation](#) Mocha C. Brown, 2023-11-15 **TRIGGER WARNING** **TRIGGER WARNING** I CANNOT SEE BECAUSE THE DARKNESS IS BLINDING ME Mental health has become a global crisis affecting millions in various ways The rising prevalence of mental illness continues to fuel stress depression and anxiety igniting a relentless fire of suffering However rather than succumbing to the flames one can fight back with joy proving that resilience has the power to overcome even the darkest struggles This growing epidemic underscores the urgent need for more effective solutions In response Madison Carter takes a unique and impactful approach by documenting real life experiences and sharing them with the world Freedom From Isolation is a raw and gripping collection of Madison Carter's journal entries chronicling real life events marked by violence adult themes comedy desire and loss This bold and unorthodox Christian journal takes readers on an unfiltered journey through the perilous streets of Chicago often referred to as Chiraq where survival is a daily battle With unrelenting honesty Freedom From Isolation exposes the struggles challenges and obstacles that threaten to consume the soul offering a testament to the resilience needed to break free from mental bondage Through vivid storytelling Madison confronts the curses that have shaped her journey sharing her experiences with fearlessness fierceness and forgiveness Her reflections reveal the power of self-awareness purposeful living learning through mistakes and mastering the art of love With unwavering faith she discovers clarity amid adversity embracing the redemptive

strength of grace This journal serves as a powerful reminder of how isolating mental struggles can be and the resilience required to reclaim happiness and hope Mistakes are unintentional while decisions are intentional As adults we often make poor decisions that in hindsight feel like mistakes Emotions frequently cloud our judgment leading to self sabotage When the mind is irrational deception breeds delusion resulting in choices we later regret Life is full of ups and downs sending our minds on a never ending merry go round Smiles fade into frowns and spirits drown in despair It becomes difficult to see harder to believe but we must believe in all things Yet do you fear or have an ear The author of Freedom From Isolation challenges readers with thought provoking questions Will you break bend or fold under trials and tribulations What does resilience truly mean Who or what is coming These are pressing concerns yet no one seems to have the answers Extra Extra The world is under attack Black people are under attack Women are under attack Masculinity is under attack Our democracy is under attack And now our children are under attack Behold the FINAL DESTINATION is near At a time such as this we've seen a wave of coaches prophets and so called inspirational leaders claim to have wisdom yet many prove to be hypocrites unworthy of trust Now we face two choices permanent ones with no chance for a redo This journal is not theoretical nor should it be taken lightly The decision is clear Will you endure the heat of the Sauna facing eternal discomfort Or will you settle into the Jacuzzi seeking eternal ease Choose wisely
