

Fractured Fairytales

(point of view / characterization)

What is a fractured fairy tale?

A fractured fairy tale is a story that uses fairytales you know and then changes the characters, setting, point of view, and/or plot.

Your task

Take your chosen fairytale and write your own fractured fairytale. You will need to change the point of view. Rewrite the fairytale from another character's point of view.

- read some fairytales to refresh your memory
- decide which fairytale you want to rewrite from another character's point of view. For instance, did you ever think how the fairy godmother felt after turning the pumpkin into a coach OR how Jack's mother felt when he disappeared up the beanstalk?
- complete the planning sheet to assist your writing
- you may also change anything else in your fairytale such as the setting
- your tale must include dialogue between characters
- extra credit: present a role-play to the class using props and no more than two friends
