Mothers and Soldiers Amy Caiazza,2002-09-27 As the Soviet communist regime gave way to democracy the emergence of an entirely new political and social landscape had the potential to turn Russian society upside down In Mothers and Soldiers Organizing Men and Women in 1990s Russia Amy Caiazza looks at the effects of this seismic change on gender roles and specifically the role of women in a newly democratic Russia By observing through a gendered lens institutions like the military and the process of making public policy Caiazza finds that despite the institutional disruption the pattern of gender role ideologies maintained continuity from the former times while at the same time embracing aspects of Western feminism

Letters Between Mothers and Daughters Barbara Caine,2018-02-02 There are now many studies of family letters in Europe but most of them focus on marital letters and letters between parents especially mothers and their sons Little attention has been paid to the letters to and from daughters This volume seeks to begin filling that gap by exploring the continuities and changes evident in the letters written between mothers and daughters over several centuries Some of these changes reflect the history of letters and the ways that they were written and delivered especially the move from the use of scribes and couriers in the medieval and early modern period which made both the writing and reading of letters a public affair to the use of pens and the situation in which letters were able to be written in private and read only by the person to whom they were addressed But the letters also reveal the

changing nature of the mother and daughter relationship as the formal and more distant ties evident in the early period in which dynastic and other matters were often more important to a mother than her daughter's personal happiness were replaced by closer and more intimate ties and a concern with particular personalities and individual needs This book was originally published as a special issue of Women's History Review **Cigar Makers' Official Journal**, 1917 Sally Rand William Elliott Hazelgrove, 2020-11-01 She would appear in more than thirty films and be named after a Road Atlas by Cecil B DeMille A football play would be named after her She would appear on To Tell the Truth She would be arrested six times in one day for indecency She would be immortalized in the final scene of The Right Stuff cartoons popular culture and live on as the iconic symbol of the Chicago World's Fair of 1933 She would pave the way for every sex symbol to follow from Marilyn Monroe to Lady Gaga She would die penniless and in debt In the end Sammy Davis Jr would write her a 10 000 check when she had nothing left Her name was Sally Rand You can draw a line from her to Lana Turner Marilyn Monroe Raquel Welch Ann Margret Madonna and Lady Gaga She broke the mold in 1933 by proclaiming the female body as something beautiful and taking it out of the strip club with her ethereal fan dance She was a poor girl from the Ozarks who ran away with a carnival then joined the circus and finally made it to Hollywood where Cecil B DeMille set her on the road to fame with silent movies When the talkies came her career collapsed and she ended up in Chicago broke sleeping in alleys Two ostrich feathers in a second hand store rescued her from obscurity Hemingway's Passions Nancy W. Sindelar, 2024-11-05 A provocative and unique look at how the women Hemingway loved shaped this literary legend Ernest Hemingway's passion was writing and he was inspired by a lifetime of daring adventures and encouraged by the many women in his life He nurtured his creativity by purposely seeking dangerous situations to test his own levels of courage and to create literary heroes who displayed grace under pressure His masculine adventurous spirit appealed to women of all ages including four wives and a long list of legendary actresses and he frequently transformed the women in his life into memorable fictional characters In 1950 Hemingway told Marlene Dietrich that he truly loved only five women Who were these women and why did he love them Some of them may have included his wives Hadley Richardson Pauline Pfeiffer Martha Gellhorn and Mary Welsh but there were others too among them Agnes von Kurowsky Through quotations from his works and personal letters as well as more than sixty photographs many of which have not been previously published Hemingway scholar Nancy W Sindelar captures Hemingway's life and romantic adventures revealing his own feelings about his romantic relationships and the ways his experiences with women appear in his literary works Much has been written about Hemingway but to date no book has linked the women he loved to his written work The stories of Hemingway's romantic relationships reveal not only the influence these women had on his writing but also his personal ambition heartbreak and literary triumphs and trials Sindelar's provocative analyses of Hemingway's literature give fresh insight into the life of a legendary author outdoorsman adventurer and lover Includes 60 photographs many never previously published Letters, Kinship, and Social Mobility in

Nigeria Olufemi Vaughan, 2023-08-15 In 2003 Olufemi Vaughan received from his ninety five year old father Abiodun a trove of more than 3 000 letters written by four generations of his family in Ibadan Nigeria between 1926 to 1994 The men and women who wrote these letters had emerged from the religious social and educational institutions established by the Church Missionary Society the preeminent Anglican mission in the Atlantic Nigerian region following the imposition of British colonial rule Abiodun recruited to be a civil servant in the colonial administration became the patriarch of a prominent family with historical roots in both West Africa and the Americas his family was the subject of articles in Ebony and Jet as well as in acclaimed histories Reading deeply in these letters Olufemi realized he had a unique set of sources that could be used to illuminate everyday life for this important segment of Nigerian society Letter writing was a dominant form of communication for western educated elites in colonial Africa especially in Nigeria Exposure and an altruistic sense of nationalism were among the factors that led people to begin exchanging letters particularly in their interactions with British colonial authorities Through careful textual analysis and broad contextualization Vaughan reconstructs dominant storylines including themes such as people s relationships with colonial authorities and bureaucracy ideas about faith and kinship nationalism and communal development Vaughan brings his prodigious skills as a historian to bear on this wealth of information bringing to life a portrait at once intimate and expansive of a community during a transformative period in African history
