The History and Allure of Interactive Visual Novels Mark Kretzschmar, Sara Raffel, 2023-06-15 Visual novels VNs a ludic video game genre that pairs textual fiction stories with anime like images and varying degrees of interactivity have increased in popularity among Western audiences in recent years Despite originating in Japan these stories have made their way into global culture as a genre accessible for both play and creation with wide ranging themes from horror and loneliness to sexuality The History and Allure of Interactive Visual Novels begins with a comprehensive overview of the visual novel genre and the cultural evolution that led to its rise then explains

the tropes and appeal of subgenres like bishojo cute girl games detective games horror and eroge erotic games Finally the book explores the future of the genre in both user generated games and games from other genres that liberally borrow both narrative and ludological themes from visual novels Whether you re a long standing fan of the genre or a newcomer looking for a fresh experience *The History and Allure of Interactive Visual Novels* will provide an accessible and critically engaging overview of a genre that is rich in storytelling yet often overlooked

What Is a Game? Gaines S. Hubbell,Matthew Wilhelm Kapell,2020-02-14 What is a videogame What makes a videogame good If a game is supposed to be fun can it be fun without a good story If another is supposed to be an accurate simulation does it still need to be entertaining With the ever expanding explosion of new videogames and new developments in the gaming world questions about videogame criticism are becoming more complex The differing definitions that players and critics use to decide what a game is and what makes a game successful often lead to different ideas of how games succeed or fail This collection of new essays puts on display the variety and ambiguity of videogames Each essay is a work of game criticism that takes a different approach to defining the game and analyzing it Through analysis and critical methods these essays discuss whether a game is defined by its rules its narrative its technology or by the activity of playing it and the tensions between these definitions With essays on Overwatch Dark Souls 3 Far Cry 4 Farmville and more this collection attempts to show the complex changes challenges and advances to game criticism in the era of videogames
