

Science Curriculum Matrix

Fifth Grade

Version 1.0 beta
June 2, 2008

This curriculum (core matrix) document will eventually become part of the Science Curriculum Matrix. We envision the Science Curriculum Matrix as an online resource that is organized by both concepts and topics and linked to exemplar instructional resources. This draft is currently organized by the Science Standards of Learning for convenience only.

In addition to this document, we recommend that you review the [Fifth Grade Science Curriculum Framework](#) for additional clarification regarding the Grade 5 Science SOL and the [Fifth Grade Science Endowed Topics and Resources](#) for unit and lesson planning resources. Please use these documents in your instructional planning and let us know how we can make improvements. Please contact Chuck Pace with your comments and suggestions at cpace@fc12.albemarle.org.
