THE JOURNAL OF THE VOYAGER SOCIETY OF AMERICA

7th Edition

The Voyager Society of America is a non-profit organization dedicated to the preservation and promotion of the Voyager program. The society was founded in 1977, the year of the launch of the first Voyager spacecraft, Voyager 1. The society's mission is to ensure that the Voyager program is remembered and celebrated for generations to come. The society achieves this through a variety of activities, including the publication of the journal *Voyager*, the organization of conferences and lectures, and the maintenance of a website dedicated to the program. The society also works to educate the public about the Voyager program and the importance of space exploration. The society's efforts have been instrumental in ensuring that the Voyager program remains a part of our collective memory and a source of inspiration for future generations.
