

To my daddy

Though you've never held me in your arms or
looked into my eyes,

Though you've never held my tiny hand or
rocked me until sunrise,

Though you've never read me bedtime stories or
bounced me on your knee,

Though you haven't settled me for hours or
watched me sleep,

Though you've never tickled my belly or kissed
my cheek,

You'll get to one day - when we finally meet.

I love you Daddy.

Favorite Poems Charles Kingsley, 1877 Out of the Cradle Endlessly Rocking Nephie Christodoulides, 2021-11-15 Out of the Cradle Endlessly Rocking delves deeply into the notion of motherhood in Sylvia Plath's work in order to redeem Plath from the one dimensional role assigned to her of the suicidal father obsessed poet Written from the theoretical perspective of Julia Kristeva's theory of subject formation the book focuses on Plath's baby poems in which mother figures are seen as subjects in process oscillating between authentication and non authentication in motherhood Furthermore since the mother is always a daughter part of the discussion centers on Plath's daughterhood poetry in which daughter figures are engaged in an endless struggle to release themselves from a suffocating maternal hold and achieve their own linguistic individuation Finally Plath's works for children The Bed Book The It Doesn't Matter Suit Mrs Cherry's Kitchen as well as her fairy tale poems largely ignored until now are read as manifestations of the self's regressive journey to once below a time to grasp an elusive pre symbolic organization and take signification back to infancy The book makes extensive use of Plath's drafts mainly of the Ariel poems her recycled materials annotated books from her personal library published and unpublished material from The Lilly Library Archive The Mortimer Rare Book Room and The Ted Hughes Archive in Emory **Best**
