Task: Write **three** or **three** well-developed paragraphs using HEAL structure to address the prompt. You must cite textual evidence from two texts of your choice and analyze that evidence within your paragraphs. Remember to address the prompt for both texts.

Prompt: Identify a **central theme** in two texts and analyze how the author's use of **one** writing strategy (literary element or technique) develops the central theme.

This statement is meant to be acknowledged by different nations and to encourage other governments to protect their people. Furthermore, this statement is meant for nations to understand that when citizens are angry and rebelling it is because there seems to be no other way to fight for equity. Lastly, in *A True Refuge* by Aung San Suu Kyi the author states: "The greatest threats to global security today come not from the economic deficiencies of the poorest nations but from religious, racial (or tribal) and political dissensions raging in those regions where principles and practices which could reconcile the diverse instincts and aspirations of mankind have been ignored, repressed or distorted", page 11 lines 3-5. This quote means that what threatens our
