Law Of Evidence In Nigeria Practice And Procedure Simon Uchenna Ortuanya, 2025-03-21 The Evidence Act 2011 repealed the old Evidence Act. In doing so, the new Act introduced some changes in the Law of Evidence. Ever since there has been an urgent need for scholastic guidance in the proper approach to the interpretation of the provisions embodying those changes. This is particularly so as the courts have been issuing contradictory interpretations of these provisions. In his new book *Law of Evidence in Nigeria Practice and Procedure*, the veteran author and urbane man of letters Professor Simon Uchenna Ortuanya masterfully plumbs the intention of the drafters of the Act. The result is a five hundred and forty page treatise of redoubtable erudition. The succinct titles of the different chapters are quite captivating just as the logical presentations of ideas are very illuminating. The book bears the imprints of the erudite author's versatility in the Law of Evidence, a course he has taught admirably in two public universities years ago. Judges and Justices, Senior Advocates of Nigeria, Law Professors and sundry litigation lawyers should be truly enamoured of the enormous efforts here. Upon my intimate perusal of this excellent book, I am under obligation to commend it to all Justices of our appellate courts, Judges of disparate categories, law teachers and their students, and to one and all. Chima Centus Nweze, Ph.D., JSC, Life Bencher, FCI Arb, Justices Chambers, Supreme Court, Abuja, Nigeria.
