accompaniment CD recording is available separately Don't miss the money saving Choir Kit **The Hymn**, 2012 *Saved, Sanctified and Serving* Denis Metrustery, 2016-06-01 This comprehensive significant work on Salvation Army theology and practice is designed to help reinforce Salvationists' appreciation of their movement's rationale and mission helping to maintain and increase the Army's unique position within the Church and as part of global faith based responses to humanitarian need The writers in this volume hold and proclaim a clear vision for the Army's future fully seizing contemporary opportunities while retaining the fire and zeal of the primitive Movement *The Church Made Strange for the Nations* Paul G. Doerksen, Karl Koop, 2011-09-22 Christians have sometimes professed that the church ought to be in the world but not of it yet the meaning and significance of this conviction has continued to challenge and confound In the context of persecution Christians in the ancient world tended to distance themselves from the social and civic mainstream while in the medieval and early modern periods the church and secular authorities often worked in close relationship sharing the role of shaping society In a post Christendom era this latter arrangement has been heavily critiqued and largely dismantled but there is no consensus in Christian thought as to what the alternative should be The present collection of essays offers new perspectives on this subject matter drawing on sometimes widely disparate interlocutors ancient and modern biblical and secular Readers will find these essays challenging and thought provoking *Studia Liturgica*, 2001 **Christian Advocate**, 1913 **The Christian Evangelist**, 1904 *Systematic Theology/Historical Theology Bundle* Wayne A. Grudem, Gregg Allison, 2015-10-27 A collection that includes two of our most exemplary textbooks Systematic Theology and Historical Theology The ebook will provide an introduction to Biblical and Christian doctrine **Systematic Theology** Wayne A. Grudem, 2009-05-18 The Christian church has a long tradition of systematic theology that is of studying biblical teaching on centrally important doctrines such as the Word of God redemption and Jesus Christ Wayne Grudem's bestselling Systematic Theology has several distinctive features A strong emphasis on the scriptural basis for each doctrine Clear writing with technical terms kept to a minimum A contemporary approach treating subjects of special interest to the church today A friendly tone appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross reference subjects to a wide range of other systematic theologies **Sing a New Song** Joel R. Beeke, Anthony T. Selvaggio, 2010-09-15 The book of Psalms occupies a unique place in Scripture being both the Word from God and words to God from His people Unfortunately psalm singing no longer plays an integral part of worship in most evangelical churches In this book thirteen well respected scholars urge the church to rediscover the treasure of the Psalms as they examine the history of psalm singing in the church present biblical reasons for the liturgical practice and articulate the practical value it provides us today Table of Contents Foreword W Robert Godfrey Part 1 Psalm Singing in History 1 From Cassian to Cranmer Singing the Psalms from Ancient Times until the Dawning of the Reformation Hughes Oliphant Old and Robert Cathcart 2 Psalm Singing in Calvin and the Puritans Joel R Beeke 3 The History

Religion, Media and Culture: A Reader Gordon Lynch,Jolyon Mitchell,Anna Strhan,2012-02-13 This major new reader introduces students to the new and growing field of religion and everyday culture **The Source for Effective Church Service Planning** ,2003 A comprehensive listing of service tested programming material designed to supplement a church s creative process of service planning Second edition That God May Be All in All Ryan L. Rippee,2018-03-02 Christology and Pneumatology have long been major preoccupations for theologians and rightly so but the work of God the Father has been surprisingly neglected Through a biblical and exegetical study of the Father s person and work Paterology this book argues that among the persons of the Trinity the Father is the initiator of all divine activity Furthermore it is in the context of a loving eternal relationship with the Son and Spirit that the Father has planned and purposed all things creating through the Son and by the Spirit promising and accomplishing redemption through the sending of the Son and the Spirit and perfecting salvation by bringing about a new heavens and new earth through his Son and Spirit The only proper response is a

Trinitarian shaped life of worship that worships our Triune God Making Congregational Music Local in Christian Communities Worldwide Monique M. Ingalls, Muriel Swijghuisen Reigersberg, Zoe C. Sherinian, 2018-04-09 What does it mean for music to be considered local in contemporary Christian communities and who shapes this meaning Through what musical processes have religious beliefs and practices once foreign become indigenous How does using indigenous musical practices aid in the growth of local Christian religious practices and beliefs How are musical constructions of the local intertwined with regional national or transnational religious influences and cosmopolitanisms Making Congregational Music Local in Christian Communities Worldwide explores the ways that congregational music making is integral to how communities around the world understand what it means to be local and Christian Showing how locality is produced negotiated and performed through music making this book draws on case studies from every continent that integrate insights from anthropology ethnomusicology cultural geography mission studies and practical theology Four sections explore a central aspect of the production of locality through congregational music making addressing the role of historical trends cultural and political power diverging values and translocal influences in defining what it means to be local and Christian This book contends that examining musical processes of localization can lead scholars to new understandings of the meaning and power of Christian belief and practice
