We've Come This Far by Faith Hondon B. Hargrove,2024-10-29 We ve Come This Far by Faith The History of Trinity African Methodist Episcopal Church chronicles the journey from the founding of a global denomination African Methodist Episcopal in 1816 by Richard Allen a former enslaved blacksmith to the history and growth of a local congregation Trinity AME Church in Lansing Michigan God s providential grace guidance and steadfast mercy led this journey and continues today Trinity AME Church Lansing is an historical church the oldest predominantly Black church in the city and the third oldest of all churches in the city God s blessings on the clergy and laity involved in the journey are evident There are interesting characters and obstacles that were overcome in the growth process To God be the glory **The Journey God Chose** Douglas V. Jewson,Al Brock,2013-01-14 The Journey God Chose is told by a man who at an early age had a heart that yearned after God In the process of surrendering his life to Christ he came to realize the truth contained in Proverb 16 9 New International Readers Version In your heart you plan your life But the Lord decides where your steps will take you He realized that each day of his life journey was ordered not by him but by his Heavenly Father Al Brocks story is intensely personal It is an open and honest look at his struggles from early childhood with feelings of jealousy inadequacy and inferiority as he became aware of physical limitations not shared by his identical twin brother As well he struggled with feelings of lack of acceptance by his father again because of his limitations Als brother Pete was always chosen first to be on athletic teams while Al was chosen last Pete became the star quarterback of the high school football team while Al himself served as the teams water boy He grew up in an environment of fear because of his fathers alcoholism and violent rages when intoxicated And then his father was gone when Al was only nine years of age succumbing to the ravages of his drinking This left the family of mother and four children to cope with no ready source of money during the years of the Great Depression Als life verse could be thought of as Romans 8 28 NIRV We know that in all things God works for the good of those who love him He appointed them to be saved in keeping with his purpose This verse is a thread running throughout the story of his life It is evident from childhood on as the family overcame the challenges of going forward without the father Continued evidence is seen throughout from his military service during WWII through his calling to the ministry and his education in the answer to

prayer that provided his wife and on into his later years Every life that came in contact with Al Brocks was met with a commitment by him to closeness and lasting friendship God used that to bring those he and Bunny met closer in their desire for the Lord The churches he served grew both in membership and spiritually A monumental change occurred for Al with the stirring of the Holy Spirit for a full surrender of his life God gave him a life changing experience of memory for repressed events with subsequent healing of past hurts done to him and by him to others The result was a Baptism of the Holy Spirit into the fullness and freshness of a new spiritual calling and personal walk with God The lives of those he came in contact with were changed to an even greater degree with the fullness of the indwelling of the Holy Spirit This became a priority in churches he served and in special groups of people The Spirit of the Lord was seen to change individual lives as well as the collective life of the churches he and Bunny were called to serve Al Brock is one of the few men I have come in contact with who has turned sorrow and disappointment into a stepping stone to knowing God in a richer and deeper walk and the Holy Spirits control Bunny faithfully served along with him in every calling that they had together His children rise and call him blessed So do the many close friends he and Bunny made during the years that they served in the ministry It was a pleasure for me and my wife Diane to come to know him and his loving wife through helping to put his life story into words on paper Hopefully lives will continue to be changed by those who read these words even though you may not have the joy of being in contact with him through personal relationship or ministry

Coping with Evil in Religion and Culture ,2008-01-01 The various Christian Muslim traditional African and secular Western ways of imagining and coping with evil collected in this volume have several things in common The most crucial perhaps and certainly the most striking aspect is the problem of defining the nature or characteristics of evil as such Some argue that evil has an essence that remains constant whereas others say its interpretation depends on time and place However much religious and secular interpretations of evil may have changed the human search for sense and meaning never ends Questions of whom to blame and whom to address God the devil fate bad luck or humans remain at the center of our explanations and our strategies to comprehend define counter or process the evil we do and the evil done to us by people God nature or accident Using approaches from cultural anthropology religious studies theology philosophy psychology and history the contributors to this volume analyze how several religious and secular traditions imagine and cope with evil

School Choice and the Question of Accountability Emily Van Dunk,Anneliese M. Dickman,2008-10-01 This timely book refocuses the debate about school choice programs with a nonpartisan assessment of the nation s largest and longest running private school voucher program the high profile Milwaukee experiment and finds that the system undercuts the promise of school choice The authors argue that the Milwaukee experiment has not resulted in the one element necessary for school choice to be effective an accountability system in which good schools thrive and poor schools close They show that most ingredients of a robust market are missing

Well informed consumers parents are not the norm State fiscal incentives are counterproductive and competition among public and choice schools is difficult to discern They conclude that school choice could succeed if certain conditions were met and they offer guidelines to strengthen accountability and repair the voucher system
